## CITY NEWS.

Happily Married.

By a postal card received this week from Zanesville, Ohio, we learn that Miss Minnie Wilson daughter of our esteemed friend Milon Wilson, living near this city, was married to Prof. W. F. Gates, late musical director of Doane college conservatory of music at Crete, Nebraska. THE CHIEF is pleased to note the occurrence, and wishes the young lady and her husband a long life of prosperity and success. They were married in Chicago, September 11, by Rev. Mr. Cooley, and left immediately for Ohio, where they will remain for several weeks, and then will go to Boston to study music and elocution. May their happiness be abundant is the best wish of THE CHIEF.

The Lights Must Shine.

It is certainly a shame that there cannot be some arrangements made to have the electric lights run. Those who hold the franchise should make an effort at once, or we have no doubt but what the citizens will take the matter in hand and procure a dynamo of their own. The streets must be lighted and those who are blocking the present owners for pure spite work from doing that we believe should receive the condemnation of our citizens. If the company could have had the engine for a few weeks longer the dam would have been replaced and all would have been made right, but no, some Smart Alec had to clog the wheels for a time and cause the company much difficulty. The lights must be running soon or a new company will be started we understand.

It seems very important to us that the city council should pay the fire department the amount due on the tournament deal. The boys are back on the payment of claims four or five hundred dollars and it seems to a man up a tree that the least the city could do would be to devise some method to help the boys out of their difficulty. Here they are a volunteer company working gratis for the citizens, and in fact have purchased by their own efforts much of the paraphernalia that they are in possession of and if the council should take that off of their hands they could pay out. The tournament was a big benefit to Red Cloud in more than one way and there should be no stinginess on the part of the city council in a case like the present one. If the city had to pay for the departments service they would find that \$4,000 a year would hardly cover the expense. Will the council help the boys out of the hole?

Rev. Fox who has so acceptably filled the pastorate of Presbyterian church in this city for the past few months has been called to a professorship in a college in the new state of Washington, near Tacoma. The reverend gentleman and his estimable wife have made many friends while here, who will be exceedingly sorry to hear of their removal from this city. THE CHIEF wishes them success.

It is curious that the chief of the fire department will allow the fire bell to be rung rapidly when there is no fire. It is a positive fact that sooner or later if that practice is kept up that the people will not pay any attention to it whatever. It is all wrong.

Another wonderful discovery has been made and that too by a lady in this county. Disease fastened its clutches upon her and for seven years she withstood its severest tests but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs. Luther Lutz. Thus writes W. C. Hamrick & Co., of Shelby, N. C. -Get a free trial bottle at Henry Cook's Drug Store.
