FARM LOANS.

I have the agency for ten different
loan companies, and can give you the
benefit of any of their peculiar plans
of making farm loans. Therefore I
can make a farm loan quicker and at
lower rates than any other agent in
Webster county. I make option
loans or straight loans for 1, 2, 3, 4, 5,
6, or 7 years, also on first class city
property. Compare my terms before
placing your farm loan, and save money
and regrets. **G. W. BARKER.**

Mr. Plumb has made a fatal mis-
take in swinging out of his party and
making an alliance with that noted
usurer Dock McKeeby, and bolters. The
idea of a prohib helping to elect
a whiskey democrat in preference to a
temperance republican, and as good a
man as George Hummel is.

Mr. Plumb can not get down to
slinging mud, but for a good firstclass
prevaricator he seems to have no equal
in this city, except it be Dock Mc-
Keeby, Simons, etc. The story about
the bank spending \$10,000 to elect
Hummel is on a par with your honor-
able statement that the First National
bank held a mortgage on this paper.
Both are simply lies made out of
whole cloth. That's the long and
short of it, mud hole or no mud hole
Mr. P., and you know they were un-
true when you made them.

THE CHIEF is here to fight all kinds
of crookedness in high or low places
Mr. Plumb, and no man can say, and
say it honestly, that we ever sold out
to any man for boodle or otherwise, as
you have evidently done. The voice
of **THE CHIEF** under its present man-
agement will always be against fraud
or vice of all kinds, and especially
boodlerism of the Dock McKeeby
style. If the big eight have pulled
the wool over your eyes Mr. P. it's no
fault of ours. **THE CHIEF** would like
to be friendly with you but can't as
long as you are a tool of the big 8.
No, Sir.

"To the Helmet Greeting.—We are
glad Mr. Plumb that you can't sacri-
fice your dignity to fight **THE CHIEF**
in a mud hole, but you can tell a de-
liberate falsehood and have the brazen
effrontery to try and crawl out of it.
Yes, the Helmet, as we know is on
"dry" ground and will be knocked
"high and dry" on or about Sept. 5th,
1889, for having put his foot into a
trap set for him by the big 8, to which
he fell an easy victim. As far as the
CHIEF is concerned Mr. Plumb, you
need have no fears, we are not losing
any sleep over whether you notice us
or not. Use your pleasure.

Mr. Shields of the Blue Hill Lead-
er evidently hit the nail on the head
last week when he did not propose to
support a democrat or any other man
who would tie up with the big 8. The
facts are plain that Fessler has tied
up with the outfit and we expect the
Leader man to do his duty, which he
will we believe fearlessly. A man
who will tie up with republican voters
is not deserving of his own party's
support and Mr. Shields is right in
denouncing any attempt of that kind
and will be supported by his party for
so doing. **THE CHIEF** has great con-
fidence in the Leader man, as he is a
democrat from principal and not for
what there is in it. If a candidate
can not stand on his own bottom with-
out tying up with sordid repu-
blicans he should meet an ignominious
defeat which Fessler will on the 5th.

Just before Plumb went over to the
big 8 outfit there was a little trouble
brewing between him and some busi-
ness men in which he made use of
remarks about as follows: "I don't
want to go over to the big 8, but if I
am compelled to I will." The influ-
ence is, as near as we can figure it out
that a little grease was necessary to
propel the Helmet, and it made no
difference which side furnished the
grease. Is not that so Mr. Plumb?
And did not the big 8 agree to fur-
nish it, and have they not filled
a part of the contract by insert-
ing ads to fill spaces that were
taken out for cause? And were you
not cloaked with Name Richard-
son for one forenoon, before you made
the affidavits, and did you not tell
a man in this city, when he confronted
you with the fact that you were
there, but didn't know that any one
saw you? And do you still have the
gall to say that the big 8 did not know
that you were going to make the
item; and is it not so that part of
your articles against George Hummel
were inspired by that arch bolter
Dock McKeeby or some of his ilk?
Can you answer these questions, Mr.
Plumb, without the help of McKeeby
and his outfit, and can you answer
them without prevaricating and hold
your job?

**OUR CANDIDATE—
Republicans Should Vote The Ticket
Straight, and Set Down on
Bolting.**

THE CHIEF has made it a point in
this campaign to show up the bolting
outfit whose republicanism only serves
them, when they can nominate men
that they can control, and that has
been every year since we have been
in this city. They bolt because they
have become so accustomed to it that
seems that they should be placed in
the democratic party where they be-
long. It is a shame that the republi-
can party year after year put up good
honorable men, only to have them
slurred by the "big 8 boodle bolting
outfit" who have no other reason for
bolting, except it be to ferment an
unpleasant quarrel in the city, and to
gain control of the county funds, by
trying to make the people believe that
there has been an "awful ring in the
county seat that has been manipulat-
ing the county funds" when they
know, if they know anything (which
is very doubtful) that the county fi-
nances have been handled honestly
and squarely, and that every dollar is
safe, and much more safe than it
would be should those self same
chronic bolters get control of it.

They are boodlers and have spent
hundreds of dollars through their
agents to defeat George Hummel, who
is an upright, honorable and capable
gentleman with a record that any
man should be proud of, and just be-
cause he is a man of character and
honest convictions, the F. & M. bank
and its bolting outfit are opposed to
him. That's all. They have tied up
with Chris Fessler, and as Mr. Fes-
ler has never said that he would not
take interest on the county funds, we
believe that he has tied up with the
bolters with that understanding, that
he is to be paid for his deposits, if
elected to the office of county treas-
urer. Look at the names of the re-
publican nominees:

G. GEORGE HUMMEL
For instance. He has been in Web-
ster county 18 years, and yet in that
whole time no man or woman was
ever heard to say one bad word of
him. He is a man who has his own
convictions and no man or set of men
can turn him from the right. He is
not nor will he be the tool of any bank
or faction, and if elected will be
TREASURER of Webster county, de-
positing the funds honorably and will
not pollute his incumbency by taking
interest on the funds of the county.

He is a good man, and just the man
for county treasurer. He is an hon-
est, good square farmer, and the vot-
ers of Webster county should stay
by him and elect him, and put an ef-
fectual stop to bolting. Vote for
Geo. Hummel for treasurer.

H. D. RANNEY,
The candidate for county clerk is
another gentleman whose ability is
unquestionable and who will be elected
by a large majority. Mr. Ranney
is an old settler and if elected will be
one of the best clerks that has ever
held the office. Vote for him straight.

C. A. TEEL
Another good man, and should re-
ceive the votes of the people for sher-
iff. Charley is one of the old settlers
of the county and if elected will make
an excellent officer. He is well known
and has been a life long republican.
Vote for Teel straight and by so do-
ing you will elect a good man for
sheriff.

MISS E. J. KING.
Miss King, who has held the office of
county superintendent for two years
last past, needs no recommendation
from us. She is a very cultured lady
and has filled that office with such
perfect satisfaction that she has no
opposition from any one of the po-
litical parties. Her election is as-
sured. No higher compliment could
be paid her than to say that she is an
excellent lady, and an excellent offi-
cial.

D. F. TRUNKEY,
The candidate for county judge, al-
though not an old settler, is however
one of our favored citizens and if
elected will fill the office of county
judge in an able manner. Every re-
publican should vote for him straight.

DR. C. SCHENCK.
The candidate for coroner has served
four years in that office and has per-
formed his duties well, that his nomi-
nation for the third term was made
unanimous, and he was endorsed by
all other parties. Vote for him
straight.

W. E. THORNE,
The nominee for county surveyor is
an old honored citizen of Web-
ster county and has filled that office
very successfully for several terms.
Vote for Mr. Thorne straight.

In fact, after summing the whole
matter up we believe that the people
of Webster county should for once
and all time put a black eye upon the
bolting outfit of corrupt bolters who
have been trying for the last seven
years to regain their former hold on
the county funds. It is an outrage
on the republican party to allow Dock
McKeeby and his bolting hirelings to
make a bolt yearly and then take part
in the county conventions and pri-
maries. Bring in a rousing majority
friends, for the republican nominees
and by this method successfully
squench the worst political element
the county has ever had, besides
electing the best set of candidates
that has ever been before the people
for years. Vote the ticket straight.

Reply to S. D.

Mr. Edron.—We had supposed that
the days of religious persecution were
ended. But, no. The **Helmet** correspondent
S. D., while professing to write the spirit
of christian love, threatens to withhold his
vote from Bro. Hummel "lest it cast him
down to hell." Mr. Hummel is not a
hypocrite. S. D. do not quote scripture
to any one who knows as much about the
good book as yourself, and is as honest a
nervously because he was the treasurer of
Christ and his apostles. Does it neces-
sarily follow that because some men are
dishonest, therefore nobody can be trust-
ed? Do not judge Mr. Hummel by such a
standard. You, dear sir, might not resist
the temptations incident to handling the
money. All men are not alike. Thank
God all men are not like you. You may
know your own weakness, but Mr. Hum-
mel is tried and true. He has held many
responsible positions. He has been treas-
urer of his school district for many suc-
cessive terms. He has been justice of the
peace. He has assessed his town two or three
times. He has been supervisor from Line
township, and chairman of the county
board during the last two years; he has
done credit to himself in each and every
one of the positions, and was never known
to betray a trust; he and his family suffer-
ed great hardships in the early days of
Webster county without complaint; he
has been faithful as a minister, filling his
appointments day and night in good and
bad weather, receiving very little com-
pensation at best, and sometimes nothing,
when needin it the worst. But this made
no difference, he and "Old Methodist Jim"
were on the ground at the appointed time
and now when an opportunity is open for
him to better his condition, and make his
family more comfortable, urise some of
his dear brethren who have been listening
to his voice as a minister, and probably
never paid him a cent, and go to quoting
scripture to him about "Baal" "mammon"
etc. Then Mr. S. D. probably you would
refer him to a passage of scripture if he
should neglect to improve the financial
opportunities placed in his path by a
kind Heavenly Father, which says that
such a person has "denied the faith and is
become worse than an infidel." "Oh!
consistency thou art a jewel."

We know from his record that if elected
he will run the office of county treasurer
with ability and success. Those who
think that any bank or set of men could
run G. W. Hummel, do not know him. He
is slow in coming to conclusions, but firm
in his convictions and decisions. In fact
just such a man as is needed in so impor-
tant and trying a position. He is a suc-
cessful farmer and business man as well
as a minister.

Is it anything against him that he was
a pioneer preacher? One of the most
brilliant of all our presidents was a minis-
ter of the gospel; the lamented martyr
president, Garfield. Did anybody write
an open letter to him advising him to
withdraw from the canvas and save his
soul?

Mr. S. D. do you want whisky men to
hold the county offices? If so vote the de-
mocratic ticket, or what is very little
better, so far as the result and influence
are concerned, vote the prohibition ticket.
Perhaps you are a third party crank, and
could not get a nomination yourself, and
so piously keep out of politics. We re-
spectfully refer you to Esop's fable of "the
fox and the grapes."
E. R. A.

We will give **THE CHIEF** one year
for the best dozen ears of corn, and I
six months for the second best if deli-
vered to this office before January
1, 1890.

A good democrat said this week
that the Farmers & Merchants bank
had agreed to pay Fessler 9 per cent
interest for county deposits if he was
elected. We don't doubt it.

McKeeby, Joe Garber and Simons,
make a splendid team to work in bolt-
ers harness. They are a nice outfit
to throw slum at as pure and honor-
able a man as George Hummel, a man
who is their superior in every way.

John Myers let another prisoner out
of jail this week. It seems that a
fellow named Reno who was held for
jumping his board bill, got tired of
taking jail fare and concluded to take
French leave, and did so by knocking
down the jailer and wife and then
jumping through the window.

THE CHIEF would be very highly
pleased to see Aaron Conover appoint-
ed agent at this place by the B. & M.
folks. Aaron is a good boy and is
highly respected by our business peo-
ple and all others having business to
do with the rail road company. The
company could not make a better se-
lection than that.

What will you do with all the
clothing, etc., is asked every reason
of C. Wiener, but when one sees that
the piles of goods are way down at the
end of the season we do not wonder
what induces the Golden Eagle to lay
in such heavy stocks. People appre-
ciate big stocks and much more the
low prices that are always given by
C. Wiener.

The bolters and the F. & M. bank,
have been spending piles of money
this week to defeat Hummel who will
not tie up with any faction or bank.
But Fessler, what of him, he has
made a tie up with the F. & M. bank.
The people do not want to vote for
democrats who will tie up with disaf-
fected republican bolters. Vote for
Hummel straight.

From a postal card dated Atlanta,
Indiana, we find on the reverse side
the following language:—Mr. Hosmer,
Dear Sir:—I understand there has been
a lot of counterfeit money passed at
Red Cloud and I am the one accused.
For the benefit of your officers, just
say that if they think I am the one
they want, send a ticket and I will
return on next train. **H. R. A.**
