Coughing

Nature's effort to expel foreign substances from the bronchial passages. Frequently, this causes inflammation and the need of an anodyne. No other expectorant or anodyne is equal to Ayer's Cherry Pectoral. It assists Nature in ejecting the mucus, allays irritation, induces repose, and is the most popular of all cough cures.

Of the many preparations before the public for the cure of colds, coughs, bronchitis, and kindred diseases, there is none, within the range of my experience, so reliable as Ayer's Cherry Pectoral. For years I was subject to colds, followed by terrible coughs. About four years ago, when so afflicted, I was advised to try Ayer's Cherry Pectoral and to lay all other remedies aside. I did so, and within a week was well of my cold and cough. Since then I have always kept this preparation in the house, and feel comparatively secure.

"Mrs. L. L. Brown, Denmark, Miss. "A few years ago I took a severe cold which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried Ayer's Cherry Pectoral, which relieved my lungs, induced sleep, and afforded the rest necessary for the recovery of my strength. By the continual use of the Pectoral a permanent cure was effected."

Ayer's Cherry Pectoral,

A surveying party of the Hutchison and Gulf starts out this week.

Frank Parker has returned from the Pacific slope. He thinks the great west can't be beat.

As you like it. Gray and faded whiskers may be changed to their natural and even color—brown or black—by using Buckingham's dye. Try it.

J. J. Nye has three wagons on the streets for the purpose of accommodating his customers and others and will be pleased to do all your work at all times. Baggage a specialty night or day.

Miss Eva Haney, a well known young lady of this city was united in wedlock this week to Mr. Harry Deter of Denver, where the young people make their future home. The choir wishes them much happiness.

A worthy gentleman having an unusually red nose, was long suspected of being a tippler on the sly, by those not well acquainted with his strictly temperate habits. His unfortunate disfigurement was readily cured by the use of Ayer's Sarsaparilla.

H. M. Baird formerly of Red Cloud has again located here and will follow his old business, dentistry. Mr. B. is a fine operator in dentistry and has had many years practice, and will give the best of satisfaction. We take pleasure in welcoming him back to the city.

Remember that Ayer's Cherry Pectoral is as equal as a specific for colds, coughs and all affections of the throat and lungs. For nearly half a century it has been in greater demand than any other remedy for pulmonary complaints. All druggists have it for sale.

New Farmers are Taxed.

It is not uncommon to hear our farmers complain of the taxes they have to pay. Sometimes they are too high and the payment of them could be largely lessened by increasing the productive power of an acre of ground. For instance a farmer who sows poor seed, raises scrub stock, or buys antiquated or imperfect implements, must certainly pay proportionately high taxes. Not to mention the improvement he might make if by getting the best seed and live stock, he could buy a Deering Binder or mower and save money in the harvesting of his grain and hay crops.

The machinery for the sugar beet factory at Grand Island is on the way to that place and cost \$250,000.

Thousands Fainted.

In a recent word on heart disease, Dr. Franklin Miles, the noted specialist, gives many new and startling facts. Thousands of people are slowly poisoning themselves by the use of tea, coffee, tobacco and alcohol. These are heart whips, causing it to beat rapidly, thus gradually wearing it out, producing shortness of breath when exercising, pains in side and shoulders, hungry and faint spells. Finally swelling of the ankles and sudden death. For weakened and irritated hearts the press everywhere highly recommends the New Heart Cure discovered by Dr. Franklin Miles which is for sale at C. L. Cotting's.

The state board of transportation should be abolished as a useless extravagance.

Game For Good.

It is to be hoped that the barbarous battle has gone for good, but it is certain the great discovery of Dr. Franklin Miles has come to stay and alleviate human suffering. This wonderful nerve food and medicine builds up worn out systems, cures fits, spasms, headache, nervous prostration, dizziness, sleeplessness, monthly pains, sexual troubles, etc. Mrs. John K. Miller of Valparaiso, Indiana and J. D. Taylor of Logansport Indiana gained 30 pounds a month while taking it. Finely illustrated treatise on "Nervous Diseases" and sample bottle of the restorative nerve line free at Cotting's who guarantees it.

Red Cloud is going to get there this spring.

Miller's Nerve and Liver Pills.

An important discovery. They act on the liver, stomach and bowels through the nerves. A new principle. They speedily cure biliousness, bad taste, torpid liver, piles and constipation. Sufferers for men, women and children. Small box, 25¢; six boxes, \$1.50. Samples free at C. L. Cotting's.

"I can recommend Electric Nerve Pills as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles, and was cured of Rheumatism of 10 years standing." Abraham Hare, druggist, Bellville, Ohio, affirms: "The best selling medicine I have ever handled in my 20 years' experience, is Electric Nerve Pills."
