The ladies of the different Alliance Clubs set a bountiful dinner of which all members were invited to partake. In the afternoon the delegates and all the members that desired repaired to the Congregational church where they transacted such business as came before the house and we understand it was a grand success, viewed from a social and business standpoint. The following resolution was adopted. Inasmuch as Paxton & Gallagher have refused to sell goods to Alliance stores, Resolved that we buy no goods of Paxton & Gallagher nor from merchants who handle any of their goods. Their Business Booming.
Probably no one thing has caused such a general revival of trade at Henry Cooks Drug store as their giving away to their customers of so many free trial bottles of Dr. King's New Discovery for Consumption. SPEECH.
The transition from long, lingering and painful sickness to robust health marks an epoch in the life of the individual. Such a remarkable event is treasured in the memory and the agency whereby the good health has been attained is gratefully blessed. Hence it is that so much is heard in praise of Electric Bitters. So many feel they owe their restoration to health, to the use of the Great Alterative and Tonic. If you are troubled with any disease of Kidneys, Liver or Stomach, of long or short standing you will surely find relief by use of Electric Bitters. Sold at 50c. and \$1 per bottle at Henry Cooks Drugstore.

A Successful Combination.
Rings, pools, trusts, combines, monopolies—all them what you will—they are fast increasing throughout the length and breadth of this country. Legislators denounce them, and newspapers attack them but still they seem to flourish. It is gratifying, however, to note that there is at least one combination in this country that meets with the approval of the public, especially of farmers: It is composed, not of individuals, but of the following quartet of harvesting machines: Deering Binder, Deering Light Reaper, Deering Giant mower, and New Deering mower.
