Merit Wins.
We desire to say to our citizens, that for years we have been selling Dr. King's new discovery for consumption, Dr. King's new life pills, buckline snake bite and electric bitters, and have never handled remedies that sell so well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won great popularity purely on their merits.

Notice is hereby given that I will examine all persons who may desire to offer themselves as candidates for teachers of the public schools of this county, at Red Cloud, on the third Saturday of each month.
