Wondrone Scenes in the Holy Land Graphically Portrayed

Miles Hotery Made Clear - Les Learned From Many Incidents Related to the Bible-The Lord's Promises.

In his seventh sermon on Palesti Rev. T. DeWitt Talmage took his text from Easkiel viil 5: "Bo I lifted un mine eyes the way toward the north." At one o'clock on a December after

noon, through Damascus gate we are passing out of Jerusalem for a journey northward Ho! for Bethel with its stairs, the bottom step of which was a stone pillow, and Jacob's well with its immortal colloguy, and Nazareth with its D vine Boy in his father's carpenter shop, and the most glorious lake that ever rippled or flashed: Bive Galilee, sweet Galilee,

The lake where Jesus loved to be: and Damascus with its crooked street called Straight and a bundred places charged and surcharged with apostolic. evangelistic, prophetic, patriarchal, kingly and Christly reminiscences.

In traveling along the roads of Palestine I am impressed, as I could not otherwise have been, with the fact that Christ for the most part went afoot. We find him occasionally in a boat, and once riding in a triumphal procession. as it is sometimes called although it seems to me that the bosannas of the crowd could not have made a ride on a stubborn, unimpressive and funny creature like that which pattered with him into Jerusalem very much of a triumph. But we are made to understand that generally he walked How much that means only those know who have gone over the distance traversed by Christ. We are accustomed to read that Bethany is two miles from Jerusalem. Well. any man in ordinary health can walk

two miles without fatigue. But not more than one man thousand can walk from Bethany to Jerusalem without exhaustion. It is over the Mount of Olives and you must climb up among the rolling stones and descend where exertion is necessary to keep you from falling prostrate.

Likewise it seemed a small thing that Christ walked from Jerusalem to Nazareth. But it will take four days of hard horseback riding, sometimes on a trot and sometimes on a gallop, to do it this week. The way is mountainous in the muscles of the legs, and bruised heel, We rode down through the valley and then up on Mount Scopus and, as our dragoman tells us that this is the last Jerusalem, we turn our horse's head tosive view of the most tremendous city

Our last look! Farewell, Mount Zion. Mount Moriah, Mount of Olives, Mount an agitation of the body, mind and soul

And now, like Ezekiel in my text, I lift up mine eyes the way toward the north. Near here was one of the worst and wife, proposing to lodge in the street because no shelter is offered ed the house and left the woman dead on the doorsten, and the hustribes, cut the corpse of the woman into twelve parts and sent a twelfth of it to was roused, and a peremptory demand was made for the surrender of the assassins and the demand refused in one day 20,000 people were left dead on the those ancient times a corpse lay, and

Now we pass on to where seven youths were put to death and their bodies gibbeted or hung in chains, not for any thing they had themselves done, but as a reparation for what their father and grandfather, Saul, had done. Burial was denied these youths from May until November. Rizpab, the mother of two of these dead boys, appoints herself as sentinel to guard the seven corpses from beak of raven, and tooth of wolf and

paw of lion. She pitches a black tent Rizpah by day sits on the ground in begins to lower out of the noonday sky seeking its prey among the gibbets, Rizpah rises, her long hair flying in the wind, and, swinging her arms widely about, shoos away the bird of prey unof a maniac she rushes out upon

rock, crying: "Away! Away!" and t examining the gibbets to see that to to her tent till some swooping wing from the midnight sky or some growl-
