Through all these reary man arose in the same time I do to these other people, while greater rapidity of its work. Two hundred cards can be placed in it at once, a crank is turned, and click! Through all these reary man arose in the same time I do to these other people, while greater rapidity of its work. Two hundred cards can be placed in it at once and for the same time I do to these other people, while differs from the other in the same time I do to these other people, while differs from the other. Two hundred cards can be placed in it at once an afford to hazard such that I do to these other people, while differs from the other in the same time I do to the same time I do to these other people, while differs from the other in the same time I do to the trouble. And then, in 1857, I lost all has been your best friend? my property, and you see I am getting Seventy years of mercies? Seventy old, and it is rather hard upon me; but I years of food and clothing! O, how old, and it is rather hard upon me; but I am sure God will not let me suffer. He has not taken care of me for seventy-five years now to let me drop out of His hands." I went into the room of an aged man—his eyesight nearly gone, his hearing nearly gone—and what do you suppose he was talking about? The goodness of God and the joys of reting fingers. Has all the goodness that God has been making pass before you decked when meaning! O, how many bright mornings! How many to be in a single grave was buried in Greenwood cemetery several years ago. The undertaker who had charge of the funeral protested against it, but was severely snubbed for his interference. The family had its way, and in that grave is buried fully \$5,000 worth of diamonds, with which the body was decked when meaning! O, how many bright mornings! How many to be in a single grave was buried in Greenwood cemetery several years ago. The undertaker who had charge of the funeral protested against it, but was severely snubbed for his interference. The family had its way, and in that grave is buried fully \$5,000 worth of diamonds, with which the body was The goodness of God and the joys of religion. What is it that gave that aged man so much satisfaction and peace? It is the grace of God that is brighter than sunshine and that is sweeter than than that is the said of you, notwith the sweeter than than that is the said of you, notwith the sweeter than than that is the said of you, notwith the sweeter than than that is the said of you, notwith the said of you, notwith the sweeter than than that is the said of you, notwith the sweeter than that is the said of you, notwith the sweeter than that is the said of you, notwith the said of you, notwith the sweeter than the sweeter than

street, or No. 260 such a street, or No. 200 such a street. My friend immortal, your business is wherever there is a many but to be wiped away or a soul to be saved. You may, before coming to Christ, do a great many noble things. You take a loaf of bread to that starves to the peace and the joys of the glorious confidence on record is that of a ing man in the alley; but he wants immortal bread. You take a pound of candles to that dark shanty. They want the light that springs from the throne of God, and you can not take it lars and cents are no permanent consotation of this subject, also, to those who are prospered. Have you, my friends, found that dollars and the lars and cents are no permanent consotation of this subject, also, to those who are prospered. Have you, my friends, found that dollars and the lars and cents are no permanent consotation of this subject, also, to those who are prospered. Have you, my friends, found that dollars and the lars and cents are no permanent consotation of this subject, also, to those who are prospered. Have you, my friends, found that dollars and the lars and cents are no permanent consotation. because you have it not in your own lation to the soul? You have large heart. You know that the flight of an arrow depends very much upon the strength of the bow, and I have to tell you that the best bow that was ever made was made out of the cross of Christ; and when religion takes a soul liston to the soul? It is an embroid-throwing known arrowed for the cross of Christ; and when religion takes a soul values. Hear a plain man's tale about —Turns Siftings.

THING LACKING.

and puts it on that, and pulls it back and lets it fly, every time it brings down a Saul or Golistic. There are people here of high social position, and large means, and reject him finally one of high social position, and large means, and cultured minds, who, if they would those who had it hard in this world, become into the Kingdom of God, would cause the contrast will make the disconfiture so much more appalling?

As the hart bounds for the water Flasty of Work For Christians—Uncertainty of Life—The Savieur Ever Rendy to Help.

In a late sermon at Brooklyn Rev. T. Be Witt Talmage took his text from the x. 21: "One thing thou lackest."

The young man of the text was a splendid nature. We fall in love with him at the first glance. He was amiable, vears of age and yet have not begun the land of the water thou be consumed."

As the hart bounds for the water brooks, as the roe speeds down the hill side, speed then to Christ. "Escape for those who in these two cities are dying in their ains? They want light. They want love a stay thou in all the plain; escape to the mountain lest thou be consumed."

I must make my application to another class of persons—the poor. When you cannot pay your rent when due, have you nobody but the landlord to serve, and yet are there not people in this house who are 30, 40, 50 and 60 with which to go to the bakery, and years of age and yet have not begun the vour children are turging at your c

him in the words that I have read to you: "One thing thou lackest." I suppose that the text was no more appropriate to the young man of whom I have just spoken than it is appropriate to a great multitude of people in this ferry or Fulton ferry with you to New the sound and there are no coals, and the ash barrels have no more cinders, who takes care of you? Have you nobody but the overseer of the poor? But I preach to you a poor teen years ago, used to cross South ferry or Fulton ferry with you to New the sound and there are no coals, and the ash barrels have no more you? But I preach to you a poor teen years ago, used to cross South ferry or Fulton ferry with you to New the sound to have in "One thing thou lackest." audience. There are many things in York? Walk down the street where in the night, I want to tell you of Him Neither are you lacking in the Where are the people gone? How many you of Him who had for a pillow a hard refinements and courtesies of life. of them are landed in eternity I can not cross and whose foot-bath was the You understand the polite phraseology of invitation, regard and apology. You have on appropriate apparel. If I am well clothed on other occasions, I were all changed. I passed one house in which once resided a man who had the contract of them are landed in eternity I can not streaming blood of his own heart. O, you poor woman! you poor man! O, you poor woman! Jesus understands your case altogether. Talk it right out to Him to-night. Get will be in a religious audience. lived an earnest, useful life, and he is in down on your floor and say: "Lord Jemy personal appearance at other lived. He devoured widows' houses, and times, when I come into a consecrated assemblage I shall have on the best dress I have. We all understand he is gone—the good man and the miser he? You might as well think that the the proprieties of every day life and the both gone to the same place. Ah, did mother would take the child that feeds proprieties of Sabbath life.

Neither are you lacking in worldly success. You have not made as much the same place. If the miser had a those who have fied to Him for pity and those who have fied to Him for pity and money as you would like to make, but harp, what tune did he play on it? O, compassion. you have an income. While others are my friends, I commend to you this religion as the only personal safety. When have been surprised in the first voyage come or are making no money, you you die, where are you going to? When to find there are so few sails in sight. have never told that falsehood. You you leave all these scenes, upon what Sometimes you go along two, three,

upon old resources, which is just the same thing, for God is just as good to us future world, what difference does it come in sight, the sea glasses are lifted when He takes care of us by a surplus make to him whether he goes to his to the eye, the vessel is watched, and if of the past as by present success. While home to-day or goes into glory? Only it comes very near, the captain, through there are thousands of men with hunger this difference. If he dies he is better the trumpet, cries loudly across the tearing at the throat with the strength off. Where he had one joy on earth he of a tiger's paw, not one of you is will have a million in Heaven. When so you and I meet on this sea of life. hungry Neither are you lacking in he has a small sphere here he will have pleasant friendship. You have real a grand sphere there. We come and we go. Some of us have never met before. Some of us will

know very well who would come in and not give it up for the whole universe, the last great day, and with reference sit up with the sick one; or, if death in one sash payment, if it were offered to the two great words, I cry across the should come, you know who would me. It has been so much comfort to water: "Whither bound? Whither ation of the Christian religion. There of satisfaction and blessedness that I no gun of distress booming through is nothing that makes you so angry as can stand here before God and say: the storm? With priceless treasuresto have a man malign Christ. You get Take away my health, take away my with treasures aboard worth more than red in the face and you say: "Sir, I life, take any thing rather than rob me all the Indies-wilt though never come want you to understand that though I of this hope, this plain simple hope up out of the trough of the sea? O, am not myself a Christian, I don't like which I have in Jesus Christ, my Lord. Lord, lay hold of that man! Son of I must have this robe when the last God, if Thou wert ever needed anychill strikes through me. I must have where, Thou art needed here. There ing salutation, but you hardly answer this light when all other lights go out are so many sins to be pardoned. There in the blast that comes up from the cold are so many wounds to be healed. Jordan. I must have this sword with There are so many souls to be saved. which to fight my way through all those Help, Jesus! Help, Holy Ghost! Help, religion and have given more to the cause of Christ than some who profess When I was in London I saw Help, all sweet memories of the past! there the wonderful armor of Henry Help, all prayers for our future delivplease you more than to see your son or VIII. and Edward III. and yet I erance! O, that now, in this the acdaughter standing at the altar of Christ, have to tell you that there is nothing in cepted time and the day of salvation, chain mail or brass plate or gauntlet or you would hear the voice of mercy and halberd that makes a man so safe as live. Taste and see that the Lord is make you nervous and agitated for a the armor in which the Lord clothes his gracious. In this closing moment of little while, but you would be man dear children. O, there is a safety in the service, when every thing in the haps the custom is as old as the Pyraenough to say: "My child, that is religion. You will ride down all your house is so favorable when every thing right. Go on, I am glad you haven't foes. Look out for the man who has is so still, when God is so loving and been kept back by my example. I hope the strength of the Lord God with him. Heaven is so near, drop your sins and some day to join you." You believe all In olden times the horsemen used to ride take Jesus. Do not cheat yourselves the doctrines of religion. A man out into battle with lifted lances, and the out of Heaven. Do not do that. God

Lord Jesus Christ. As a matter of personal safety, my dear friend, you must

I apply my subject to several classes You need, my friends, in the first of people before me. First, to that place, the element of happiness. Some day you feel wretched. You do not audience. Some of these people in this audience. Some of these young men thoughtful persons always observe, to know what is the matter with you are in boarding houses. They have but place the stamp on the upper right-hand You say: "I did not sleep last night few social advantages. They think corner of the envelope, but few people I think that must be the reason of my that no one cares for their souls. Many have ever stopped to think what was restlessness;" or "I have eaten some of them are on small salaries, and they the reason for this choice of position. thing that did not agree with me, and are cramped and bothered perpetually, The canceling stamp and the postmark-I think that must be the reason." And and sometimes their heart fails them. ing stamp are fastened side by side upon you are unhappy. O, my friends, hap Young men, to-night, at your bedroom the same handle, and if the stamp is piness does not depend upon physical door on the third floor you will hear a correctly placed one blow makes both condition. Some of the happiest people knocking. It will be the hand of Jesus impressions. If, however, the stamp is I have ever known have been those who | Christ, the young man's friend, saying: on the lower right-hand corner the posthave been wrapped in consumption or 'O, young man, let me come in; I will mark falls on the address, and both are stung with neuralgia, or burning with help thee, I will comfort thee, I will de- illegible, while if the stamp is on the the slow fire of some fever. I never liver thee." Take the Bible out of the left-hand side, the postmark, which is shall forget one man in my first parish, trunk, if it has been hidden away. If always at the left of the cancelet, does who, in excruciation of body, cried out: you have not the courage to lay it on not strike the envelope at all, and a "Mr. Talmage, I forgot all my pain in the shelf or table take that Bible that second blow is necessary to secure it. the love and joy of Jesus Christ. I was given to you by some loved one, So, if the stamp is any where except in can't think of my sufferings when I take it out of the trunk and lay it the upper right-hand corner, it makes think of Christ."

A THRILLING EXPERIENCE.

"There is nothing new under the one," receives nowhere a many startling wide attention from the phase-is so strikes. The way is which matter of strikes. The way is which verification than in this matter of remarkable that we cannot excuse our strikes. The way in which our workstrikes. The way in which our workingmen of modern Europe try to correct their employers was in substance the way adopted by their dark-akinned, meanly clad, poorly fed predecessors in the land of the Nile before Moses led the Israelites out of Egypt. M. Many friends and waiting for death. Heaves all points connected with Egyptology, devotes several very interesting pages to the subject in his charming "Historic Readings." It seems that the families of the working classes were quite as improvident in Egypt thirty centuries ago as some of them are in England at the present day. At the beginning of the month, when they had just received their month's rations, eating and drinking went on without restraint. By the middle of the month the stock began to fail, and famine began to stare the middle of the month the stock began to fail, and famine began to stare the middle of the month the stock began to fail, and famine began to stare the thirty leads to the way I felt when the releatiess mainty which had fastscard itself upon me first beyond as control of they are one of the month the stock began to fail, and famine began to stare the without appetito the next. This was just the way I felt when the releatiess mainty which had fastscard itself upon me first beyond as chair from the process of the work of the stock began to fail, and famine began to stare the middle of the month the stock began to stare the without appetito the next. This was just the way I felt when the releatiess mainty which had fastscard itself upon me first beyond to stare the work of the stock began to stare the without appetito the next. This was just the way I felt when the releaties mainty in the factory is an free from odor as a chair factory is an free from odor as a chair factory is an free from odor as a chair factory is an free from odor as a chair factory is an free from odor as a chair factory is an free from odor as a chair factory is an free from odor as a chair factory is an free from odor as a chair factory is an free from odor as a thriftless households in the face. So which had fastened itself upon me first beagain and again they went out on strike in order to extort more from their superiors. A strike of masons is described tiped a beavy, and at times neuralgic, pain

by M. Maspero in detail, and some parts in one side of my head, but as it would come of the description might almost be mis-taken for extracts from an English or attention to it. Then my stomach would get German newspaper in the nineteenth out of order and my food often failed to century of the Christian era. digest, causing at times great inconven-ience. Yet, even as a physician, I did not The 10th of the month the builders think that these things meant anything serious out of the place where they were laris and doctored myself accordingly. But working and sat down behind a chapel I got no better. I next noticed a peculiar in the temple precincts, exclaiming: "We color and odor about the fulds I was passare hungry and there are eighteen days ing-also that there were large quantities before the next pay day." They charged one day and very little the next, and that a persistent froth and scum appeared on the surface, and a sediment settled. And yet I and nervous your wife is, and you know that did not realize my danger, for, indeed, see- Carter's Iron Pills will relieve her. Now ing these symptoms continually, I finally became accustomed to them, and my suspi-cion was wholly disarmed by the fact that I had no pain in the affected organs or in their After some further negotiations with vicinity. Why I should have been so blind canno understand. resumed work on the understanding land. I visited all the famed mineral springs stroyers are always sure and taste like that the King himself should receive in America and traveled from Maine to dainty little candies. their complaint. I consulted the best medical skill in the physicans agreed as to my malady. One through a long list of common diseases, the lowing month the strike was in full which time I was steadily growing worse their plans. On the following day they Morphine had little or no feet in deaden-

While suffering thus I received a call from ping until they reached the Governor's my pastor, the Rev. Dr. Foote, at that time palace. Like their European successors, rector of St Paul's Episcopal Church, of these discontented artisans stubbornly this city. I felt that it was our last interrefused to work, spent many hours in view, but in the course of conversation Dr. Foote detailed to me the many remarkable cures of cases like my own which had some under his observation. As a practicin physician and a graduate of the schools, mately obtained part, at least, of their derided the ides of any medicine outside the demands. So we can trace the strike regular channels being in the least beneficial. So solicitous, however, was Dr. Foote, that I finally promised I would waive my prejudice. I began its use on the first day of June, 1881, and took it according to directions. At first it sickened me; but this I thought was a good sign for one in my debilitated condition. I continued to mids. Perhaps the first strike preceded take it: the sickening sensation departed the most ancient of the existing monu- and I was finally able to retain food upon ments of civilization. -Pall Mall Gazette. my stomach. In a few days I noticed a de-MADE NO DIFFERENCE TO HIM. wife and friends. My bifecoughs ceased and I experienced less pain than formerly. I was so rejoiced at this improved condition that, upon what I had believed but a few days before was my dying bed, I vowed, in the presence of my family and friends, should I recover. I would both publicly and pri-Office. He is genial, courteous and effi- vately make known this remedy for the cient, but in no wise remarkable save good of humanity, wherever and whenever

I had an opportunity, and this letter is in fulfillment of that vow. My improvement was constant from that time, and in less friends went to a Whitehall Street cigar than three months I had greet from pain and in flesh, became entirely free from pain and dealer and asked him to construct a I believe I owe my life and present condicigar for them, the component parts of tion wholly to Warner's Safe Cure, the rem-Since my recovery I have thoroughly re-

investigated the subject of kidney difficulties and Bright's disease, and the truths occur in America are enused by Bright's diecase of the kidneys. This may sound like a rash statement, but I am prepared to fully features of its own, (indeed, it often develops without any pain whatever in the kidneys or their vicinity) but has the symptoms of nearly every other common com-plaint. Hundreds of people die daily, whose burials are authorized by a physician's cerit is from Bright's disease of the kidneys Few physicians, and fewer people, realize the extent of this disease or its dangerous and insidious nature. It steals into the system like a thief, manifests its presence itary as consumption, quite as common and fully as fatal. Entire families, inheriting it from their ancestors, have died, and yet some of the number knew or realized the mysterifrom convulsions, spoplexy, or heart disby bitter experience what he says, I implore everyone who reads these words not
