Castoria is Dr. Samuel Pitcher's prescription for Infants and Children. It contains neither Opium, Morphine nor other Narcotic substance. It is a harmless substitute for Paregoric, Drops, Soothing Syrups, and Castor Oil. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria destroys Worms and allays feverishness. Castoria prevents vomiting Sour Curd, cures Diarrhoca and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea-the Mother's Friend.

Castoria.

"Castoria is an expelient medicine for children. Mothers have repeatedly told me of its good effect upon their children."

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instend of the various quack nostrums which are destroying their loved ones, by forcing opinm, morphise, soothing syrup and other hurtful

sgents down their throats, thereby sending

hem to premature graves."

Castoria.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me." H. A. ARCHER, M. D.,

111 So. Oxford St., Brooklyn, N. Y. "Our physicians in the children's department have spoken highly of their experi ence in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to course that the merits of Castoria has won us to look with favor upon it."
