Castoria destroys Worms and allays feverishness. Castoria prevents vomiting Sour Curd, cures Diarrhea and Wind Colic. Castoria relieves teething troubles, cures constination and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Custoria is the Children's Panacea-the Mother's Friend.

Castoria.

"Castoria is an excellent medicine for chil-

dren. Mothers have repeatedly told me of its good affect upon their children."

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack postrums which are destroying their loved ones, by foreing opium, morphine, soothing syrup and other hurtful accuts down their throats, thereby sending them to premature graves."

Conway, Ark.

ALLES C. SETTE, Pres. The Contaur Company, 77 Murray Street, New York City.

Castoria.

"Castoria is so well adapted to children that

I recommend it as superior to any prescription H. A. ARCHER, M. D. III So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."
