A Mystery Explained.

The papers contain frequent notices of rich pretty and educated girls eloping with negroes, tramps, and coachmen. The well-known specialist, Dr. Miles, says all such girls are more or less hysterical, nervous, unbalanced; subject to headache, sleeplessness, immoderate crying or laughing. These show a weak nervous system for which there is no remedy equal to Restorative Nervine. Trial bottles and a fine book, containing testimonials, free at C. L. Cotting's, who also sell and guarantee Dr. Miles' New Heart Cure, the finest of heart tonics. 6

Last April she was taken down with measles, followed with a dread ful cough and turning into a fever. Doctors at home and at Detroit treated her, in vain, she grew worse rapidly, until she was a mere "handful of bones." Then she tried Dr. King's New Discovery and after the use of two and half bottles, was completely cured. They say Dr. King's New Discovery is worth its weight in gold, yet you may get a trial bottle free at L. H. Deyo's drugstore.

Death is a wonderful mimic. He can take anybody off.

You need a Nerve Tonic and in Restorative Nervine you will find the exact remedy for restoring your nervous system to its normal, healthy condition. Surprising results follow the use of this great Nerve Tonic and Alternative. Your appetite returns, good digestion is restored and the liver and kidneys resume healthy action. Try a bottle. WHEN times are hard and money is scarce

and you wish to make a dollar go as far as it can and purchase as much as possible.

THEN is the time that unscrupulous dealers, itching to possess those dollars offer for your inspection Cheap, Worthless Goods, possessing no merit except cheapness.

BEWARE of these goods for though attractive in outside appearance and slightly to look upon. They are built merely for looks, and are not intended for durability or service. The Cincinnati Shoe Store rather than sacrifice quality for cheapness have bought goods entirely of manufacturers whose reputations have been built up by strict honesty and sending only goods out that are reliable.

WE SELL them. We warrant them. We repair them. We invite your attention to our stock of men's, women's and children's shoes and ask your patronage.

F. G. BLAKESLEE.

Popular Shoe Dealer of Red Cloud.
