Bleeds.—A quaint of Red Cloud's jolly boys, twit: Heyde, Simons, Kaley, Cummings Miller, who got stuck on some of our handsome little schoolmans while they were attending the institute at the Cloud a few weeks ago, decided to appease that "want-to-love-you-feeling" by driving to the Hill on Sunday. We will not neglect to mention the fact however that the lads got rained on.—Blue Hill Leader.

There should be a fund raised at once by the people of Webster county for the farmers who lost their entire crop last week by hail. The loss in every instance was complete and now is the time to show charity when it is most needed. The people should remember that these same men lost their entire crop last year by drought and now by hail. Of course they may be able to stand it, but then "a friend in need is a friend indeed." Let some one make a start.

To California, Oregon, Washington and other Western points—in Pullman Colonist Sleepers Via the Union Pacific.

The constant demand of the traveling public to the West for comfortable and at the same time an economical mode of traveling has led to the establishment of what is known as Pullman Colonist Sleepers.

These cars are furnished complete with good comfortable hair mattresses, warm blankets, snow white linen, curtain which secure to the occupant of a berth as much privacy as to be had in first-class sleepers, plenty of towels, combs, brushes, etc. There are also separate toilet rooms for ladies and gentlemen, and smoking is absolutely prohibited.

Another fact not to be overlooked is that these Pullman Colonist Sleepers are attached to the daily fast express trains, thus enabling passengers occupying these cars to make the same time as occupants of first-class Pullman Sleepers.

A charge of \$3.00 for a lower berth, double berth is made between Council Bluffs, Omaha or Kansas City and San Francisco or Portland.

For those furnishing their own bedding free berths are given in Pullman Colonist Cars running between Council Bluffs, Kansas City and Portland.
