the following suggests the best remedy:

In casting around for men to fill the ounty offices this fall on the republican ticket, we have heard the names of the following men mentioned: For clerk, H. D. Ranney, present in umbent. Mr. Ranney is well qualified and will no doubt be his own successor.

For district clerk C. B. Crone is high! talked of as a man every way able to fil the office satisfactorily to the people. For Superintendent, Mr. D. M. Hunter will be his own successor he is a sch olar of ability and fully able to cope with the responsibility of that office.

For treasurer, the names of G. W. Hummel, G. W. Kn ight, E. B. Smith E. H. Jones, and I. W. Crary have been mentioned. Any one of these gentlemen would make good officers and would full that important office in good shape . For Sheriff, the name of Henry Scott has been mentioned, also sheriff Teel. Both of these gentlemen are qualified

and are both well known to Webster For judge, we have only heard so far the name of D. F. Trunkey, present incumbent. Mr. Trunkey has made a good officer, and will fill that office for a second term with ability.

For coroner Dr. C. Schenck, will prob-

bly be his own successor. He can "sit | on you" as good as any man in the

nominated without a dissenting vote. The above men are all good sound republicans and would do bonor to an office n the gift of the people, and if nominated THE CHIEF will say Amen.

Soulce

A plan has been adopted for advertising the various counties of Nebraska by sending train loads of our prolonger led by the leaders of the new duce through the Eastern States. party, provided our candidates are good | The counties have been apportioned by men. Another reason why we should be the Advisory Board from \$100 to our conscience will approve, and good ster is apportioned \$175.
