D. J. Judson has purchased the Kenney property.

Don't forget the fair next week. Come and bring your family and the babies.

Don't fail to see Cozad & Co's special bargains in chamber suits, carpets, and bedsteads.

Perfect action and perfect health result from the use of De Witt's Little Early Risers, a perfect little pill.

Rev. Alden, died this week at the extreme age of 83. He had lived in Red Cloud for a number of years.

DeWitt's Sarsaparilla destroys such poisons as scrofula, skin disease, eczema, rheumatism. Its timely use saves many lives.

Wiener begs all people coming to the fair to come and see his immense stock of goods. Will cheerfully show you any article and give you prices.

You never tried DeWitt's Little Early Risers for constipation, biliousness, sick headache or you would not have these diseases.

De Witt's Sarsaparilla cleanses the blood, increases the appetite and tones up the system. It has benefited many people who have suffered from blood disorders. It will help you.

Miss Emma Brown has been elected as a teacher in the public schools in Line In, and has tendered her resignation as teacher in the south ward school.

We can not afford to deceive you. Confidence is begotten by honesty. De Witt's Little Early Risers are pills that will cure constipation and sick headache.

The republicans of the tenth judicial district met at Minden the first of the week, and on the 115th ballot nominated Ben F. Smith of Hastings, for district judge. If they had kept on voting for months they could not have made a worse break.

Don't storm the system as you would a fort. If held by the enemy, constipation, gently persuade it to surrender with De Witt's Little Early Risers. These little pills are wonderful convicers.

The democrats of Webster county, foolhardy like concluded to let their organization die out in the county by not having the moral stamina to put a ticket in the field and brave defeat. Better die on your merit than to give up without a struggle to an enemy.

Investigate their merits. De Witt's Little Early Risers don't gripe, cause nausea or pain, which accounts for their popularity. Druggists say they would not run a drug store without these little pills.

People with impure blood may be said to exist, not live. Life is robbed of half of its joys when the blood is loaded with impurities and disease. Correct this condition with De Witt's Sarsaparilla. It is reliable.

THE CHIEF presents its readers this week with an array of facts and figures that are quite startling, but are facts all the same.

Do not fail to call and see F. V. Taylor's stock before buying. He buys by the ear this saves freight and can sell cheaper than anybody.

It is currently reported that Duffy's own township will go against him. As for as qualifications are concerned Duffy is not in it for judge. It is a very poor nominatin for the independents.

There will be a business meeting of the C. L. S. C. at the home of Mrs. J. C. Warner, Saturday evening, Oct. 3rd, to which all interested in the work are cordially invited.
