A Safe Investment.

Is one which is guaranteed to bring you satisfactory results, or in case of failure a return of purchase price. On this safe plan you can buy from our advertised Druggist a bottle of Dr. King's New Discovery for Consumption. It is guaranteed to bring relief in every case, when used for any affection of Throat, Lungs or Chest, such as Consumption, Inflammation of Lungs, Bronchitis, Asthma, Whooping Cough, Croup, etc. It is pleasant and agreeable to taste, perfectly safe, and can always be depended upon. Trial bottles free at J. H. Devo's Drugstore.

Hank Scott will be the next sheriff. In fact the whole republican ticket will be elected. The independents hope to whip the Alliance voters into line but there is too much dissatisfaction in their ranks for success. The Alliance people have become tired of putting up for the election of men, who when elected to office could not fill the office. The republicans will win in November, and don't you forget it.

On our first page today will be found some valuable hints to those who desire to buy goods. First come C. Wiener, the popular clothier, who is selling piles of clothing these days, and secondly comes R. M. Martin & Son, successors to Pope Bros. These gentlemen are bound to sell you goods and thirdly you will find George Ducker's advertisement. This firm is on the road to prosperity. Lead their ad and then go and see them. In fact if our subscribers save money they should patronize those who advertise in THE CHIEF. A liberal advertiser always gives you liberal prices. Any of these gentlemen will treat you right.

A National Event.

The holding of the World's Fair in a city scarcely fifty years old will be a notable event, but whether it will really benefit this nation as much as the discovery of the Restorative Nervine by Dr. Franklin Miles is doubtful. This is just what the American people need to cure their excessive nervousness, dyspepsia, headache, dizziness, sleeplessness, neuralgia, nervous debility, confusion of mind, etc. It acts like a charm. Trial bottles and fine book on "Nervous and Heart Diseases," with unqualified testimonials free at C. L. Cotting's. It is warranted to contain no opium, morphine or dangerous drugs.

South Side

We had a fine rain last week which freshened up the pasture very much. The remainder was well attended and we enjoyed the music. It was fine. Cool but no frost yet.

Mr. Editor you was a little off in my last letter it was Boyd Maxwell who had gone to Colorado, and expected to visit North Park, and other places of interest we hear he is home and thinks Nebraska is the best place yet.

The neighbors are busy having their Brown corn. Everybody expects to go to the fair next week. News is rather scarce this time. Yours,

North Side

We desire to say to our citizens that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Buckler's Arnica Salve and Electric Balm, and have never had a single complaint that we sell as well, or that have given such universal satisfaction, we do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity partly on their merits. L. H. Devo Druggist.

Remission at McCook.
