Probate Notice. STATE OF NEBRASKA. SS

Webster county, (88)
In the county court of Webster county, in
the matter of the estate of William H, Albro Notice is hereby given to all persons having claims and demands against William H. Albro late of Webster county, deceased, that the time fixed for filing claims against said estate is six months from the 4th day of December, 1891, All persons are required to present their claims with vouchers to the county judge of said county at his office therein on or before the 4th day of June, 1892, and all claims so filed will be heard before the said judge on the 6th day of June, 1892, at ten o'clock in the forenoon.

Dated this 7th day of November, 1891.

16-4t D. F. TRUNKEY, County Judge,

DISSOLUTION NOTICE. Dissolution of partnership. The partnership beretofore existing between John F. Moore and L. C. and A. D. Gilbert, in the ranch near Cowles, Nebr., in buying, feeding a d farming, has been dissolved by mutual consent. John F. hoore retiring from the co-partnership, L. C. and A. D. Gilbert assuming all debts of the frm, they holding all property and acco-belonging to the firm of Moore & Gilbert.

A MILLION A YEAR. Lottery and Prize Schemes used to sell Alum and Am-

monia Baking Powders. A New York concern, manufacturers of an ammonia baking powder boasts ts yearly profits are over a million dollars. While, perhaps, none of the makers of alum powders individually can show so large earnings yet their profits are ed from Fairfield, this week.

A business so profitable, will always at-tract to itself those whose greed will cause them to utterly disregard the effect their traffic may have upon the health or life of others.

Alum baking powders are introduced largely by gifts, prizes and lottery schemes. A piece of glassware or china, a child's wagon, sled, a pewter spoon or some other article of attractive appearance, but of small intrinsic value or cost is given with each purchase or a number | dog the other day, and its little face | is attached to the can which estitles the customer to a similarly numbered article or to a prize of some kind. It is in some such way as this that the trade in alum visiting with D. M. Hunter, our worthy and ammonia baking powders, which county superintendent, this week. has now attained such giant proportions

and their consumption by the public which has reached an extent which is tens, husking gloves and husking pins given in exchange truly alarming. The highest authorities of all countries condemn the use of alum in bread distinguished physicians, chemists and er will please leave it at this office.

name, years ago it was known al over the country-from one end of the states to the other. What we the consequence? Let's see, Red Cloud, yes, Red Cloud, there were run-rus people coming to the city every as antil she grew from a male virlage fo two thousand souls, and was the Billy of the Valley." The first the s or four the city was for of busy say, every ing a disparaging word. Wind Boca se she was, using a street planta "getting there." Now then, what happened? The best people of the city became diided on political questions unwillingly.

neither faction suspecting what the result would be. What was the result? Innocuous de nelude! The interestof the city were forgotten while the battle raged, and as a consequence the city that should have been 5000 papa

lation easily, is today only 2000. What are we going to do about it? That is a momentious question, but easily solved. We are going to build Red Cloud up again. Today ail is peace and harmony among our people. No dissenting votees. All to work! No more will you hear the voice of the croaker in the distance, but from this on, every man, woman and child must sound the toesin of Red Cloud's prosperity. We must be interested in getting our town lots booming, we must go after creameries, cheese factories, railroads, manufactories, et-This is not idle talk, but all can be procured if a persistent effort is put forth, with every man at the wheel Red Cloud, is the best located city in Nebraska, and is the best town in the valley. Everybody get to work and we will have another railroad, or some other enterprise that will be beneficial to Red Cloud. A public meeting of all the citizens should be held at once to devise ways and means. Hurrah Ever Shown in any Clothing Store for Red Cloud and the boom that will strike her in '91 and '92 From this on let every one talk Red Cloud Will you do it?
