Wall paper at Cottings.  
Quite a little flurry of snow Sunday.  
D. B. Spanogle has received a pen-  
sion.  
Buy your paints and brushes at  
Cottings.  
Mrs. C. Wiener is visiting friends  
in the east.  
Joe Williams of Orleans, was in the  
city Sunday.  
Rev. O. H. Truman returned from  
Fairbury Tuesday.  
Farmers get your Blue vitrol for  
soaking wheat at Cottings.  
The public schools will have a  
week's vacation next week.

a little set-to on Wednesday.

best on the market. Sold by C. L.  
Cotting.  
Walter Sherwood and family will  
move to McCook soon where he has  
secured a situation.  
Mr. C. Wiener will, during the com-  
ing season, display special bargains  
in his show windows.  
A brother of Mr. Sam Bruner's has  
moved to Webster county where he  
will live in the future.  
Johnson & Co., make a specialty on  
second hand goods, at the blue front  
four doors south of Miner Bros.  
The new millinery and dress mak-  
ing establishment of Mesdames John-  
son and Baker is now open in the old  
Kaley law office.  
It is not what we say, but what  
Hood's Sarsaparilla DOES, that makes  
it sell. The people recognize merit  
in medicine as in everything.  
Another fire occurred at Blue Hill  
Monday night. It is reported to be  
the work of an incendiary. The  
building is reported to belong to  
Kehler Bros.  
Mrs. Mary Conover of McCook, who  
has been visiting in Red Cloud for  
some days, returned home Tuesday  
evening, taking with her, her sister  
Miss Kitty Farner.  
The dam at the mill was out the  
other day and as a consequence our  
city was in darkness, but thanks to  
the best country on earth, the moon  
supplied the long-felt want about 11:30  
each evening.  
The McKanlass Comedy company,  
which held forth here Monday and  
Tuesday night was the best company  
that has been in Red Cloud for many  
days. Every actor understood his  
business, and the singing, music and  
dancing was hard to beat.  
C. R. & Q. engine 369, leased by  
the B. & M. and running out of Red  
Cloud, was sent back to the "Q" this  
week, as the company now has enough  
engines of its own for the present.  
"Q" engine 357 at Denver is to fol-  
low it shortly.—McCook Tribune.  
Our old friend, Wm. Cropp of Or-  
leans, was in Red Cloud the first of  
the week looking over the city and  
couching flesh with old-time friends.  
He now holds a situation on the B. &  
M. as conductor and in order to make  
him level-headed, subscribed for the  
Great Family Weekly. Thanks.  
Red Cloud should buy the electric  
light plant so that the people would  
not have to depend on the freaks of  
the river in procuring light. The  
river, we mean the dam in the  
river, goes out of its way every once  
in a while to overflow, and as a conse-  
quence the lights go out as the water  
is the propelling power.  
Mrs. Johnson and Baker invite the  
ladies of Red Cloud and vicinity to  
call and examine their stock of Mill-  
inery goods which are all new and of  
the latest styles. They also do dress-  
making and teach the tailor system  
of cutting and fitting; all work guar-  
anteed, prices reasonable. One door  
north of the city bakery.

Rock.  
It is low prices, the best of goods  
and accurate dispensing that has  
brought L. H. Deyo, his large drug  
business.  
It is the judgment of all that Cot-  
ting has the finest selection of wall  
paper in the city, and in prices he  
can't be beat.  
Bernard McNeny, the rising young  
lawyer of Red Cloud, paid his busi-  
ness respects to Blue Hill Monday—

The Grand Island Insurance com-  
pany, which was reported closed up, is  
all right. It will pay everything, but  
is winding up its affairs.  
Some of the friends of B. F. Mizer  
are trying to bring him out as an in-  
dependent candidate for mayor. Mr.  
M. went into the non-partisan con-  
vention and should abide by it and not  
allow his name to be used.  
The trees in the court-house park  
should be looked after by the proper  
committee, instead of allowing them  
to be chewed to pieces by horses, and  
come it would take many times the  
amount it would take to cure for them  
in order to replace them.  
J. F. Winters, of Red Cloud, Neb.,  
was a pleasant caller at this office last  
Thursday. Mr. Winters is residing

Mr. Albright and family from Al-  
exandria moved in, by train, on the  
15th and occupy the Adamson house  
in the east part of town.  
Mr. Morgan also on same train, his  
family will come later.  
The W. C. T. U. ladies of this place  
and all over the country are made  
very sad by the news of the death, in  
Boston, on the 9th of Mrs. Harrison,  
formerly of Franklin, Neb. Mrs. H.  
was very prominently connected with  
the above named organization, as  
President of the Union for this dis-  
trict.  
Mr. Fawcett made a trip to Exeter

Rev. Platt has a fine Brown Leg-

On Tuesday 22d, a Congregational  
church of 18 members was organized  
at Pleasant Ridge school house, by  
recommendation of a council com-  
posed of representatives of the Red  
Cloud, Campbell and Cowles Congre-  
gational churches. Rev. Ely of Red  
Cloud was chosen moderator, M. D.  
Hunter, scribe. Rev. E. L. Ely  
preached the sermon, conducted the  
usual investigation as to the advisa-  
bility of the measure, secured assent  
to the profession of faith in Christ  
and to the church covenant; Rev. B.  
O. Snow of Campbell gave the address  
to the new church, welcoming to the  
fellowship of the Congregational  
churches. Giving each member the  
right hand, and Rev. H. D. Platt led  
in the prayer of consecration.  
The new church seems to be com-  
posed of excellent material and starts out  
hopefully. They cordially invite Rev.  
H. D. Platt of Cowles to take them  
under his pastoral care and to preach  
to them every two weeks, which in-  
vitation it is understood he accepts.  
A Sunday-school will at once be or-  
ganized.

**Willow Creek.**

Mr. Thomas Leacy has built an ad-  
dition to his house which adds very  
much to the beauty of his home.  
Miss Eppa Adamson and Monroe  
Bonar were married the 13th of  
March 1892 at the residence of Robert  
Adamson, Rev. James Steely officiat-  
ing. Only the family and two  
nieces of Mrs. Adamson were present  
at the ceremony. Not from custom,  
but from our heart do we wish the  
happy couple happiness and success  
in all their undertakings as Eppa is  
beloved by all who know her and her  
husband seems worthy of such a help-  
mate. The county has lost its best  
teacher, but what is the county loss is  
Mr. Bonar's gain. They went to house-  
keeping on G. A. Latta's farm.  
Quite an interesting meeting was  
held at Pleasant Hill school house  
the object of which was to lay out and  
buy lots and fix up the cemetery at  
that place. Mr. Cox was chosen clerk  
and treasurer.  
Grandpa Norris has returned from  
Missouri whether he was called by the  
sickness of his daughter Mrs. Henry  
Haras who is better.  
Ketch Adamson & Co. is shelling  
corn in this part of the county. He  
is a rascal.  
Mr. Ben Bruner and family arrived  
at their new home the 18th of March.  
One more of our old pioneer neighbors  
come to make us feel proud of Web-  
ster county. Welcome Ben and fam-  
ily.  
MANIRONA.

**Non-Partisan Caucus.**

The non-partisan caucus met in the  
court-house on Monday evening and  
proceeded to put in nomination the  
following city officers:  
For Mayor—D. B. Spanogle.  
For Treasurer—Henry Cook.  
For Clerk—T. J. Ward.  
For Engineer—F. A. Kuehn.  
For School-Board—J. A. Tulleys  
and C. F. Cather.  
For Aldermen 2d Ward—D. J. My-  
ers and C. H. Potter.  
First Ward—Ed Pulsifer and Joe  
Kubick.  
The convention was one of the most  
harmonious conventions that we have  
ever attended and those present (about  
250) seemed to have forgotten past  
differences and settled down to a  
realization of the necessity of the  
people pulling together, at least that  
was the way it looked that night.  
The city officers, Messrs Spanogle,  
Cook, Ward, etc., are among our best  
men, and we believe will be elected,  
and any attempt to swerve from the  
decision of the non-partisan conven-  
tion should be frowned upon as a dis-  
turber of the peace of this communi-  
ty, which has been stirred from center  
to circumference with political strife  
in the past. Let our people say, no  
more strife, and place the heel of con-  
demnation thereupon, and all will be  
well. We have too much to look after  
this year, and therefore cannot afford  
to quarrel. While the ticket might  
not be the choice of all, it is a fairly  
good one and all should support it in  
honor bound who took part in the  
convention. "Let us have peace,"  
plenty and prosperity this year, and  
every man work for Red Cloud. What  
say you, gentlemen?

**Rev. C. W. Springer**

was called away by death on Friday,  
March 4, 1892. He had been in fee-  
ble health for several years; had  
moved from place to place in search  
of a healthy climate, but to no effect.  
At one time he was located in Web-  
ster Co., Neb., where he was elected to  
office of public instruction, and  
preached the word when not engaged  
in his official duties. From there he  
moved to Boulder, Col., where he was  
engaged as pastor of the church.  
From Boulder, he received a call to  
the Chambers church, which call he  
accepted, and preached to the Cham-  
bers, Harold, and Sunnyside churches  
for one year, during which time he  
was the means, under God, of build-  
ing up those churches and greatly en-  
larging the membership and reviv-  
ing their spiritual life. In the summer  
of 1890 he removed to Boise City,  
Idaho, where he remained until last  
December, when he was brought to  
Stockton, Kansas, in a most enfee-  
bled state of health. He, with his family  
arrived at Stockton, December, 22.  
Since that time he has been confined  
to his bed. He died on March 4th,  
at six o'clock, in the triumph of a  
living faith.—The Chicago Standard.

**You've no Idea.**

How nicely Hood's Sarsaparilla hits the  
needs of people who feel "all tired out"  
or "run down" from any cause. It seems to  
oil up the whole machine of the body so  
that all moves smoothly and work becomes  
a positive delight. Be sure to get Hood's  
Hood's pills act especially upon the liver,  
rousting it from torpidity to its natural  
duties, cures consumption and assists dig-  
estion.

Geo. Drake has finished his new

adds much to the looks of his farm.  
Mr. Viera has moved back to this

can sympathize with us that were in

**Something About Benefactors.**

We often read that "He was a real ben-  
efactor of the human race." With good  
reason could this be applied to anyone  
who contributes to the lessening of the  
evils to which flesh is heir to. Rheuma-  
tism and chronic headache have been classed  
as impossible of cure, yet science has  
finally demonstrated that they CAN be  
cured. Haller's Pain Paralyzer taken in  
conjunction with Haller's German Pills,  
have effected most extraordinary cures  
and has made life a comfort to many,  
who never hoped for relief. For sale by  
C. L. Cotting.

**Riverton Items.**

What has become of the Riverton  
cornet band? The time is fast ap-  
proaching when serenading will be in  
order. If there is one thing more  
than another that helps a town to  
prominence, it is a good band, and  
their efficiency should be heartily en-  
couraged and indorsed by the citizens.  
Mr. J. Overing from Red Cloud  
was in our city Monday on his way  
to Franklin, to erect a monument in  
memory of William Russell.

**Charles Stewart Parnell.**

The death of this noted and brilliant  
Irishman was caused by the neglect of a  
simple cold. Had he used Haller's Sure  
Cure Cough Syrup his life might have been  
spared many years.
