Best Terms on Farm Louns I am now prepared to make farm loans at low rates, and on the best terms ever offered in any interest ; syment.

Me friends do you know there is a good show,
For me to be up with the brant?
I'il fly very high, if she'll only die,
For she is my wife's rich aunt.

I'll stock up my store, for ever more, And live on puddings and pies, And for fear of harm, I'll clear up my farm, When my wifes rich aunt ups and dies.

I'll build a big house, as snug as a mouse, And its rooms no ghost shall haunt, For a ghost will flee, at laughter and glee. Though it be of my wife's rich aunt.

Oh! wont I fly high, like the birds of the sky,
When I get this money of mine,
I'll send some men right up to the pen,
And others must pay a big fine.

Little "Ed" must go, and poor "Dennis" too, And the Poor Farmer he must dance. For I'll have enough of the silver stuff, That is now my wife's rich aunt's. ENVOY. Take my advice dear friend, and look out your name is not pants. For a man often gets slipped upon, Who depends on his wife's rich aunts.

## King of Medicines

Scrofulous Humor-A Cure "Almost Miraculous."

"When I was 14 years of age I had a severe attack of rheumatism, and after I recovered had to go on crutches. A year later, scrofula, in the form of white swellings, appeared on various parts of my body, and for 11 years I was an invalid, being confined to my bed years. In that time ten or eleven sores appeared and broke, causing me great pain and suffering. I feared I never should get well.

" Rarly in 1886 I went to Chicago to visit a sister, but was confined to my bed most of the time I was there. In July I read a book, 'A Day with a Circus,' in which were statements of cures by Hood's Sarsaparilla. I was so impressed with the success of this medicine that I decided to try it. To my great gratification the sores soon decreased, and I began to feel better and in a short time I was up and out of bors. I continued to take Hood's Sar-saparilla for about a year, when, having used six bottles, I had become so fully released from the disease that I went to work for the Flint & Walling Mfg. Co., and since then

HAVE NOT LOST A SINGLE DAY on account of sickness. I believe the disease is expelled from my system, I always feel well, am in good spirits and have a good appetite. I am now 27 years of age and can walk as well as any one, except that one limb is a little shorter than the other, owing to the loss of bone, and the sores formerly on my right leg. To my friends my recovery seems almost miraculous, and I think Hood's Sarsaparilla is the king of medicines." WILLIAM A. LEHR, 9 N. Railroad St., Kendaliville, Ind.
