April 22d is Arbor Day. By the observance of Arbor day in the schools we teach the children to love that which beautifies the grounds, and to take a pride in seeing that the trees and shrubbery are not mutilated as we are sorry to say so often is the case in a few months after the trees are planted. Historic homes and landmarks are rapidly passing away, owing to fatal kidney and liver diseases. "Hepaticure" will cure and prevent all such diseases. Sold by L. H. Deyo.

J. H. Bailey and E. H. Thomas, visited Nelson on Monday. They estimate that at least twenty buildings were totally demolished by the tornado of Thursday evening last. The Opera House block was unroofed, and business houses damaged. No one can judge of the desolation of such a storm without seeing it for himself. Two or three men were badly injured but none killed. The people saw the storm in time to escape to their cellars and caves. One man saw a horse passing over his house of which the roof was blown off.
