To All Lovers of Good Horses.

There has been considerable said in the last month in regard to the relative merits of the horses making the season at Red Cloud, and I would like to correct some wrong reports that have been circulated by interested parties. Noah Burch No. 652, the standard Bred Trotting Stallion, is the Best Bred Horse in Webster county and equal to any in the state or country. In fact there is none better. Is as perfect a Horse in deportment and symmetry as was ever foaled. His own family has the fastest horse in harness in the world. Direct, a first class pacer in a quarter in 26 seconds, a 1:48 gait, has a record of mile in 2:06. Noah Burch is nephew to Jay Eye See 2:06 Phellus 5:13, Director 2:18, Delineator 2:18, in fact he is a fashionable bred horse in every way, and he is no superior as a good breeder. I challenge any well breeder in Webster county to show as well bred a horse. I make this statement in self defense, as there are certain parties who are making a point of meeting men on their way to see me and belittling my horse and running him down and telling them he is no good, that other horses in town are much better, etc. I am making no fight against any horse here, as there are several good horses here in the vicinity but none who can show as good a pedigree as Noah Burch and not so perfect a horse in symmetry, in the country and not one who can show as large an average of colts, a complete tabulated pedigree will be sent on application inclose stamp, address,

He who Wants Health Wants Everything!

There are millions of persons in this country who suffer from chronic diseases or an affliction which incapacitates them from business, and frequently makes life a burden. many of whom would place themselves under different treatment if they were acquainted with the fact that a new treatment was in reach of them. Remedial agents for many of those ills we have endeavored to secure. Of such we offer to the afflicted one, on a business like basis, the management of which we trust will be tempered by a moral and philanthropic principle.

We practice the Brinkerhoff treatment of all forms of RECTAL DISEASES. We personally owe a debt of gratitude to the father and founder of this system and not to publish to the world such knowledge, would be to do mankind an injustice. This is the remedy that thousands bless, and one that I have secured at great expense, tried and tested before offering it to you for your consideration and investigation. Descriptive pamphlets sent free on application. Office consultation free. Names of parties who have been cured cheerfully given on application.
