EDITORIAL NOTES.

The bland bill still squirms and... Mr. Holman is of considerable utility for Tom Reed to have fun with... As a "pork"-packing center the Fifty-second Congress bids fair to out-class Chicago... What's the matter with Mills and Holman on a retrenchment and reform platform? Evidently the Democratic editors are getting left in the appropriations proposed by this Congress... Just at present Mr. Cleveland finds no comfort in the shade of the Palmettos of South Carolina... Tammany will be accusing the Rev. Dr. Parkhurst of being in the employ of the Republicans pretty soon... The Democratic financial policy is exploded, and the Democratic leaders are all saying, "You're another" to each other... It is difficult to keep the Democrats from passing the Bland bill until after election... Democratic leaders promised a hundred million reduction by this Congress, and now admit that it is spending at the rate of a billion and a quarter... "The writings and speeches of Grover Cleveland" in book form are announced... Probably all that is heard of the "billion dollar" Congress will be heard from the Republicans—and it will not be in the nature of an apology, either... Senator Gorman is not at all frightened by the reckless expenditures proposed by Congress... Ex-Governor Campbell says that Ohio will choose a "big four" to the national Democratic convention... Holman sees a deficit at the end of the next fiscal year, but he adds significantly that if the tariff bills now in the House, or that have passed that body, should become laws, the deficit would be still further increased... McKeighan's appointment at West Point is said to be a non-resident... You've no idea... How nicely Hood's Sarsaparilla hits the needs of people who feel "all tired" or "run down" from any cause... At last the Red Cloud cemetery has been considered of enough importance to be looked after... Organ At a Bargain... Full page used but a short time, to be sold at a sacrifice... T. E. PENMAN, Red Cloud Nebr.

The Gentlemen's Driving Club of this city is in a fair way of acquiring a large membership.

Jim Butler our popular harness man has a fine three year old mare sired by Joe Sandusky, by Alexander's Edwin Forrest. She will be bred to Mr. John Gilbert's standard bred Wilkes stallion, Maximus. It's getting to be in this section that you are not in it unless you have a trotter.

George Holland of the Holland House has a very smooth animal in his sorrel gelding, Mike George. Mr. H. is inclined to think he will be master of the road this season.

W. E. Garber of the Farmers and Merchants Bank has a fine roadster sired by Bob Sprague 2:24 and he is liable to try conclusions with some of the reputed fast ones before many moons have passed.

Bernard McNeny says he will be in the swim when it comes to a roadster race with his stylish Aristos driving horse.

The track at the fair ground will be put in fine shape as soon as the weather permits.

In a recent interview Senator Stanford is reported as saying: "Mr. Williams, owner of Allerton, knows very well that I do not trot my horses for money." Mr. Williams never asked him to match his horses for money as he makes no matches himself. The proposition was that a purse of 10,000 would be given for a race between Palo Alto and Allerton. Senator Stanford surely has no objection to racing for a purse as his horses compete in such races every year.

Wonderful.

E. W. Sawyer of Rochester, Wis., a prominent dealer in general merchandise and who runs several peddling wagons, had one of his horses badly cut and burned with a tar. The wound refused to heal. The horse became lame and stiff notwithstanding careful attention and the application of remedies. A friend handed Sawyer some of Haller's Barb Wire Liniment, the most wonderful thing he ever saw to heal such wounds. He applied it only three times and the sore was completely healed. Equally good for all sores, cuts, bruises and wounds. For sale by C. L. Cotting.

Wall paper and curtain trade is brisk at Cotting's, the fine selection and fair prices please the customers.

A safe investment. We guarantee you will never be sick if a course of "Hepatitis" is taken spring and fall. L. H. Deyo.

SECRETARY.

Ancient Egypt.

Some of the most startling, interesting discoveries of the life and customs of buried Egypt are now being made through extensive excavations. These discoveries are exciting a great interest. Many discoveries are, however, being made in our country that are not less strange and remarkable, among which we may mention that of Haller's Pain Paralyser which effects entire relief, and in many cases a complete cure of that terrible disease rheumatism, and which also relieves pain of all kinds. For sale by C. L. Cotting.

AROUND TOWN.

Miss Addie Reagle, a well and favorably known young lady of Red Cloud, who has won her way to success as a teacher in our public schools for the last few years, has accepted a position in the Hebron Schools at a salary of \$45 a month. Miss Addie's friends in the city will be pleased to hear of her success and will heartily congratulate her on securing such a remunerative position all of which she justly merits. The Hebron schools are to be congratulated on securing her services for the coming year and may rest assured that her school work will be highly satisfactory.

J. A. Buckley, of Longmont, Colo., a well-known attorney of that city, has located in Red Cloud, where he will practice law in the future. Mr. Buckley comes to this city highly recommended by the mayor and others of Longmont, and we bespeak for him a good practice in Webster and adjoining counties, if strict attention to business will merit patronage. His office will be over L. P. Albright's feed store north of the F. & M. bank. We wish him success.

The services on Memorial day at the Christian church, were of an extraordinary character and the speech by Rev. E. L. Ely was one of the finest ever delivered on a like occasion and has been highly commended by all who had the pleasure of listening to the burning words of eloquence which our divine friend uttered at that time. We should like to have published it this week but lack the space.

We couldn't bear to see the Cinnamon bear dance the war dance on our streets Thursday night, but when the band played "Anna Laura" the dancers danced and the bears reared and all went merrily down in their pockets and brought forth another nickel.

The "Big Injun" of this Great Family Weekly will take in Minneapolis next week along with A. Galusha, Geo. J. Warren, L. H. Deyo, O. C. Bell, C. W. Kaley, and several others for the purpose of nominating the next president.
