

He who Wants Health Wants Everything!

There are millions of persons in this country who suffer from chronic diseases or an affliction which incapacitates them from business, and frequently makes life a burden.

We practice the Brinkerhoff treatment of all forms of RECTAL DISEASES. We personally owe a debt of gratitude to the father and founder of this system and not to publish to the world such knowledge, would be to do mankind an injustice.

THE PICTURESQUE B. & O.

Bishop Perry, of Iowa, describes his Pleasant Journey From Chicago to New York Via Washington.

Bishop Perry of Iowa, in a recent issue of the Iowa Churchman, says: "One traveling eastward from Chicago via the picturesque Baltimore & Ohio Railroad finds rest and comfort in the vestibuled Pullman limited trains on which travel is no longer irksome, but luxurious.

"Ere we leave the mountain plateau, the noble buildings of Deer Park attract the eye. Even winter grey tints cannot hide the singular beauty and marked attractiveness of this noted place of resort.

"Reaching the base of the mountains we find ourselves traversing the debatable grounds of the Civil War. The streams we cross, the fields we have left behind on either side, the ravines we thread as we speed to Washington, have their historic associations with that internecine strife that pitted the Blue against the Gray.

"The 'Royal Blue' line of the 'Baltimore and Ohio,' comprising the distance between the Nation's Capital and the chief city of 'My Maryland' at a rate of speed frequently marking sixty miles an hour. Baltimore in its beauty is seen but for a moment, for Philadelphia is yet to be reached and then New York. It is not late when the great commercial metropolis of the land is our financial stopping place, and the smoking, throbbing, panting engine rests at our journey's end."

All these are indications of malaria, blood, liver or kidney disease, deadly typhoid fever, all of which can be avoided by using 'Hepaticure.' For sale by L. H. Deyo.

Do you desire to say to our citizens that for years we have been selling Dr. King's New Discovery for consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use.
