People That Live in Glass Houses Should not Throw Stones.

Some of the citizens of Blue Hill are rejoicing over an article clipped from the Bradshaw paper headed (Bradshaw Citizens Indignant,) purported to be slanderous reports about certain young ladies of Bradshaw, after publishing the Bradshaw item reflecting on the character of Rev. Morrison, the Blue Hill Wave is not satisfied till it has to sling some of its dirt at the Rev. Gentleman, who is trying to do all in his power to advance the cause of Christ and did try to build up the M. E. church of Blue Hill while pastor on that charge, and all the time was held in space by some of his own members, as Christ was before Pilate. The scriptures plainly teach us to do good unto them that so despitfully use you, and to do unto others as we would have others do unto us, now how would those that have hurled so many darts at Rev Morrison like to have some of their dirt slinging and back biting published in their own paper to be read by their own citizens, we have been acquainted with Rev. Morrison as long as any man in Blue Hill, and must say that we never have heard Morrison say one disrespectful word about any of the citizens of Blue Hill but have heard Morrison talk about by more than one of Blue Hill citizens and men that profess to love God and try to keep his commandments. We do not claim that Morrison is perfect, he is likely to make mistakes as well as any other man. Who is there that is perfect, No not one, but because he is a minister of the gospel he must be kicked and cuffed by those whom he (Morrison) once thought was his friends, but proved to be as Julius Iscariot was to Christ. It has been a long time since Blue Hill has had a preacher, (M. E. preacher I mean) that suited them as well when they left Blue Hill as they did when they preached their first sermon in the city.

If you will cast the mote out of your own eyes you can see more clearly to pluck the beam out of your brother's eye, and if your brother stumbles help him up, don't kick him farther down the hill.

Morrison may have made some mistake or may have said something he ought not to, and if so knowing by former acquaintance that he did not mean to harm any one, therefore he has our warmest sympathy hoping that everything will turn out all right and for the glory of God. The reason I pen these few lines is because as soon as this story came out in the Blue Hill Wave, there was so much rejoicing among those who were so anxious to see the downfall of Rev. Morrison that free copies were mailed to the friends of Morrison. Now when there is anything good said about any preacher in Blue Hill just wait and see if you will get a copy, postage prepaid.
