

# What is CASTORIA

Castoria is Dr. Samuel Pitcher's prescription for Infants and Children. It contains neither Opium, Morphine nor other Narcotic substance. It is a harmless substitute for Paregoric, Drops, Soothing Syrups, and Castor Oil. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria destroys Worms and allays feverishness. Castoria prevents vomiting Sour Curd, cures Diarrhoea and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea—the Mother's Friend.

**Castoria.**  
"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."  
Dr. G. C. Osceola, Lowell, Mass.  
"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."  
Dr. J. F. Kitchell, Conway, Ark.

## GRAND ISLAND Business College

No money required to receive an education at this college. The only conditions of admission are a good moral character and an ambition to secure an education. This college has set aside \$10,000 to be loaned during the present year to young people who wish to attend our school, but have not the ready funds. All the time needed will be given in which to pay the loan; and a student can take a full course to graduation without a dollar to begin with.  
IT IS SIMPLY TO PAY AS YOU GO; but if this is impossible you cannot afford to start in life without an education when you have an opportunity like this. Ten states represented in the attendance and fifty graduates last year. Board in private family \$2.00 per week.  
We teach the Electric Short-Hand which can be learned in less time than other systems. After you have read the circulars of all other schools, send for our catalogue and we will leave it to your judgment which school in the west ranks first in standing. Address:

## He who Wants Health Wants Everything!

There are millions of persons in this country who suffer from chronic diseases or an affliction which incapacitates them from business, and frequently makes life a burden, many of whom would place themselves under different treatment if they were acquainted with the fact that a new treatment was in reach of them. Remedial agents for many of those ills we have endeavored to secure. Of such we offer to the afflicted one, on a business like basis, the management of which we trust will be tempered by a moral and philanthropic principle.  
We practice the Brinkerhoff treatment of all forms of RECTAL DISEASES. We personally owe a debt of gratitude to the father and founder of this system and not to publish to the world such knowledge, would be to do mankind an injustice. This is the remedy that thousands bless, and one that I have secured at great expense, tried and tested before offering it to you for your consideration and investigation. Descriptive pamphlets sent free on application. Office consultation free. Names of parties who have been cured cheerfully given on application.
