MUSIC.

Paper:—Teachers' meetings:—J. E. Hammond.

Talk:—The primary course of the state course of study:—Mrs. Anna M. Hall.

Election of officers and executive committee for future meetings. Query box. Adjournment. After the reading of each paper there will be a general discussion. Teachers should take their National school-singers with them to the meetings. Let us bear in mind our motto "Our meetings are what we make them."

Each one should examine the program and go to the meeting prepared to say something upon each subject. The local reading circle in district No. 38 under the leadership of Mrs. Frank S. Cather, is progressing. The following report was given to us this week:

The teachers of Garfield, met Saturday evening, Sept. 17, and proceeded to organize a Reading Circle. John L. Springer was elected chairman and R. E. Pope secretary. The following is the program for Saturday evening, Oct. 1:

Opening exercises. Talk on the Power of Education:—F. S. King. Biog. of Bach:—John M. Earner. Biog. of Page:—Miss Daisy Craft. Discussion of the second month's work in Page's Theory and Practice. Biog. of Alex. Pope:—E. E. Pope. Biog. of Swift:—Jno. L. Springer. Biog. of Wattson:—F. S. King.

It was voted to hold two meetings each month, it was also recommended that each teacher prepare notes on each month's work and bring them to the meetings for discussion.

All persons are invited to attend the meetings. R. P.

The County Fair.

It seems to THE CHIEF, that this year, of all years, is the one for our farmers to try and make the fair a success. Every effort is being put forth by President Alyea and the board of directors to make it a winner and we believe that the people ought to back up their efforts. They have arranged a special exhibit on the following articles with guaranteed cash premiums, which ought to bring out a large display:

Corn\$15 00	\$10 00
Wheat 15 00	10 00
Oats 10 00	5 00
Barley 5 00	
Rye 5 00	
Potatoes 10 00	5 00
Vegetables 10 00	5 00
Fruit 10 00	5 00

The farmer should begin at once and make arrangements for their display. Remember for the above articles the premiums are guaranteed and will be paid in cash. For full particulars call on D. F. Trunkay, superintendent of that department.

ENDORSED BY THE BEST
What the Omaha Press Had to say of Ringling Bros., After their Exhibition in that City, Aug. 2d.

The triumphal progress of Ringling Brothers' World's Greatest Shows through Nebraska this fall was inaugurated in Omaha on August 1st by the grandest reception ever given a tent show in that city. In speaking of the exhibition the next day the World Herald said: "It was the best all-around circus that has been seen in Omaha for many years."

The Bee was also unstinted in its praise of the performance. Among other things it said: "The Ringlings were strangers to Omaha, but they have established a reputation that will insure them a hearty welcome in the future. The program presented a bewildering array of acts that cannot even be enumerated in the limited space at command. There were three rings, and often exhibitions were in progress between the rings so that at times there were five acts under array at once. The menagerie was one of the best exhibited with travelling companies and embraces many valuable specimens. The Ringling Brothers richly deserve the success that has crowned their efforts." It is this great show that will exhibit here on Wednesday, Sept. 23th.
