On last Thursday, sometime, the residence of Fred G. Blakeslee was entered by burglars, while the family was absent, and three valuable rings stolen. The house was completely ransacked, but no further valuables were taken. Fred thinks the burglars were scared away, and fled with what they could carry away easily.

In an age of fraud and adulteration, it is certainly gratifying to know that such an extensively-used preparation as Ayer's Sarsaparilla may be implicitly relied upon. It never varies either in quality, appearance, or effect, but is always up to the standard.

Chanoy Warner, son of J. C. Warner, went to Lincoln to attend school while there he was taken down with typhoid fever and has been dangerously ill, but his parents who have been in constant attendance, have hopes of his recovery at this writing.

A universal beautifier.—Harmless effective, and agreeable, Ayer's Hair Vigor has taken high rank among toilet articles. This preparation causes thin, weak hair to become abundant, strong, and healthy, and restores gray hair to its original color.

Rev. E. J. Randall, pastor of the M. E. church of this city for five years, has been appointed to the Fairfield charge. Marshall Roby, who we remember as one of Red Cloud's youngsters years ago, and who has been west, returned this week to visit his parents. Marshall has out-grown himself and his friends. He now weighs 235 and is "clear out of sight." He is depot agent for the B & M at Atlanta, Neb. at present.

Republican Rally.

The republicans of Inavale, generally turned out to-day, to the political rally at that place.

The Red Cloud S. of V. band was there to enliven matters and the speakers did themselves great credit. Mr. Austin the republican candidate for state senator, a man of superior ability and a man with a clean record, made the opening speech. He was followed by John McCallam, candidate for county representative, who in a twenty minutes speech showed that he understood the political situation in a manner that surprised all. Following Mr. McCallam, came Randolph McNitt, candidate for county attorney. "Ranney" as every one calls him, is fast making a record for himself that will place him among our best political orators. The way he handled the various questions soon convinced his friends as well as the independents present that he fully understood what he was talking about. It was an excellent speech and carried conviction with it. After some excellent music by the band Mrs. Adda Billings, the noted lady orator, was introduced and entertained the audience in her usual happy manner, expounding that kind of political talk that republicans like to hear. She understands her theme and knows just how to deliver it, and has many telling hits in it for the opponents of republicanism. The picnic was held in L. C. Olmsted's grove west of Inavale which is a pretty place for such a gathering. Truly the indications are that many veterans are returning to the republican ranks, and certain it is that the fair name of Nebraska is to be kept bright in the future. "Stand up for Nebraska."

A New Firm.

This week a new firm sprung into existence in this city. The well-known drug house of L. H. Deyo being the scene. Mr. Deyo has for years been doing an exceedingly lucrative business, and it has been growing so fast that he has found it an absolute necessity to have a partner. For a year or more he has had employed in his store Bert Grice, also an expert pharmacist, and this week Mr. Deyo took him into partnership with him, and the firm will hereafter be known as Deyo & Grice. THE CHIEF has known both gentlemen for many years and therefore without the least hesitancy recommends them to the public. Bert's many friends will be well pleased to learn of his embarkment into business. We wish them success.

County Fair.

Every citizen in Webster county should see to it that he is in Red Cloud next week to attend the county fair and bring with him some article for exhibition. There will be many attractions that have never been seen before among which will be a grand balloon ascension and a great parachute leap. Come prepared to stay a week and have a good time.

Pronounced Hopeless, Yet Saved.

From a letter written by Mrs. Ada E. Hurd, of Groton, S. D., we quote: "Was taken with a bad cold, which settled on my lungs, cough set in and finally terminated in consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Savior, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for consumption, coughs and colds. I gave it a trial, took in all eight bottles; it has cured me, and thank God I am now a well and hearty woman." Trial bottles at C. L. Cotting's drug store, regular size 50cts and \$1.

Cora Myrtle Harris, died September 24th, aged one month and eight days. She was the daughter of Henry and Cora Harris. She leaves a father and three small brothers to mourn her loss. Her mother proceeded her three weeks ago to that heavenly home. What joy there will be when husband and wife and children shall meet to part no more.

Another little lamb has gone, To dwell with him who gave, Another little darling babe, Is sheltered in the grave. God needed one more angel child, Amidst His shining band, And so He bent with loving smile, And took our darling's hand.
