He who Wants Health Wants Everything

There are millions of persons in this country who suffer
from chronic diseases or an affliction which incapacitates
them from business, and frequently makes life a burden.
Many of whom would place themselves under different treat-
ment if they were acquainted with the fact that a new
treatment was in reach of them. Remedial agents for many
of those ills we have endeavored to secure. Of such we offer
to the afflicted one, on a business like basis, the management
of which we trust will be tempered by a moral and philan-
thropic principle.
We practice the Brinkerhoff treatment of all forms of **RECTAL DISEASES.** We per-
sonally owe a debt of gratitude to the father and founder of this system and not to
publish to the world such knowledge, would be to do mankind an injustice. This is the
remedy that thousands bless, and one that I have secured at great expense, tried and
tested before offering it to you for your consideration and investigation. Descriptive
pamphlets sent free on application. Office consultation free. Names of parties who have
been cured cheerfully given on application.
