\$15,000 TO LOAN TO WORTHY STUDENTS.

GRAND ISLAND
Business College

No money required to receive an education at this college. The only conditions of admission
are a good moral character and an ambition to secure an education. This college has set aside
\$15,000 to be loaned during the present year to young people who wish to attend our school, but
have not the ready funds. All the time needed will be given in which to pay the loan, and a
student can take a full course to graduation without a dollar to begin with.
FE IS BEST TO PAY AS YOU GO, but if this is impossible you cannot afford to start
in life without an education when you have an opportunity like this. Ten states represented in
the attendance and fifty graduates last year. Board in private family \$2.00 per week.
We teach the Electric Short-Hand which can be learned in less time than other systems. After
you have read the circulars of all other schools, send for our catalogue and we will leave it to
your judgment which school in the west ranks first in standing. Address,
A. M. HARGIS, Pres., Grand Island, Neb.
