**SUBURBAN NEWS**  
As Furnished by Our County Correspondents.

**From Butte.**  
Married, at the home of the bride's parents in Inavale on Christmas day, Dec. 25, 1892, at 11 a. m., Mr. W. E. Bean and Miss I. M. Michaels, Rev. G. W. Hummel officiating.  
After the happy event we sat down to an excellent dinner, consisting of the luxuries of life.  
The bride was the recipient of some handsome presents from her friends. The bride is a daughter of G. H. Michaels, and a well respected young lady of her community.  
The groom is a son of Rev. Bean and is a highly respected young man. The happy couple left on the evening train for a visit to Cass Co., Neb. May their life be long and happy, and their joy far exceed the happiness of the courting season.

**Willow Creek.**  
Grandpa Peterson has gone to Hall Co., Kansas, to visit a daughter. Will Brubaker is teaching singing at the Teel school house. Mrs. Wilson is on the sick list, also Mrs. Moushang and Nellie Bon. Henry Brubaker is putting in double windows for A. C. Bon. Sam Bruner has lost five head of calves by eating smut. The Christmas tree at Willow creek school house Christmas eve was loaded with presents and enjoyed by old and young. Fred Moore is herding for Mr. Godwin. Gracie Godwin is visiting on the creek. Mr. and Mrs. Jackson have a grand daughter, Lucy Williams, of Hot Springs, S. D., staying with them this winter. Several of the young people from this creek attended the Christmas festival at the Congregational church of Cowles. They report a splendid time and a good supper. Nearly everybody on the creek is done shucking corn. Snow and cold is the order of the day for holidays. Walker Graves of Red Cloud, is canvassing for the Fairbury nursery and is taking an immense lot of orders for trees in this vicinity.  
MANITOBA.

**Inavale.**  
The worst storm of the season so far came on Sunday. Mr. Hunter went to Kansas City with stock Sunday. Mr. Olmstead and Mr. Holdredge are on the sick list. School commences next Monday after a week's vacation. Mr. Turkington and wife, of Alma, came down to spend Christmas with his father-in-law, G. W. Knight. Mr. Hartwell has his ice house completed. It will hold eighty tons of ice. Miss May Hummel is visiting her sister Mrs. H. Holdredge, this week. Miss Florence Sawyer is home from Franklin to spend the holidays. Inavale had a neighborhood Christmas tree Saturday night, at which everyone was present. The program was mostly made up of the scholars. The tree was nicely filled with presents, and everyone reported a good time. Tom Jones has taken the contract to fill Mr. Hartwell's ice house.  
**APRON STRINGS.**  
Farm loans at lowest interest. Strictly first-class loans at lower rates than has ever been given in this county before. Option to pay part or all at end of any year.—C. F. CATHER.

**Cowles.**  
The festival and Christmas market at the Congregational church on Thursday the 23d, brought in eighty dollars towards payment on the parsonage loan, and as all the expenses were paid by individuals, the whole sum was immediately available. The ladies aid society worked hard for it. They hereby express their warmest thanks to those who helped make it such a success, and to those who so liberally patronized the tables and the counter. There was a Christmas ladder at Congregational church on Saturday evening, for the S. S. The house was full of people. Some nice appropriate recitations were given and songs sung. Then came the distribution of presents from the ladder. Many family gifts were among them. Some of our sick people are convalescent, and several more have been or are still sick. Mr. Chapin's father, 4 miles west of Cowles, has been very sick. Miss Lizzie Stearns has been obliged by severe sickness to close her school at Willow creek for one week. Ellis Hager and Mabel Walker have been laid up with sore throat and accompanying fever. Mr. Scott's baby boy has been ailing for some days, and was taken with dangerous symptoms Sunday night. Is a little better at this writing. Mrs. Page of Wellfleet, came on Tuesday to visit her parents and sisters. So Mr. C. M. Brown's family are all together again for the first time in several years.

**Amboy.**  
The Pleasant Hill literary society is gaining great notoriety with Mr. Harvey Cox as president and Miss Susie Baker as secretary. The society expects soon to relieve congress by deciding the tariff question. The question of their last meeting was: "Resolved, that the American Indian has more cause for complaint against the white man than the negro." The judges gave their decision in favor of the negative. Mr. John Holcomb is spending the holidays with Mr. Ed. Rassar and family. The Christmas tree exercises on Christmas eve were largely attended. The climax in the musical line was the "Angel's Song" which was rendered in a very angelic manner. The tree was loaded till its branches groaned under their weight. Miss Veronica Rasser received a handsome gold watch and chain. Miss Susie Baker was the recipient of many handsome and valuable presents. A pair of spectacles, a Xmas card, a pair of shoe heels and a miniature doll were among the most prominent. Misses Anna Cockrall, Gertie Brown, Flora Jackson, Veronica Rasser, Bessie Cockrall, Tillie Rasser, Maranda Teachworth, Jessie Cockrall, Alta Baker and Mr. D. F. Trunkey were not forgotten by Santa Claus in the doll baby line. Santa Claus, or rather his daughter, presented Messrs. Frank Frisbie and Fred Hurd with a comical little mitten each.  
SNICKLEFRITZ.

**Pleasant Hill.**  
The weather is very disagreeable. Amboy folks had a very nice Christmas tree and entertainment. Everybody seemed to enjoy themselves and have a good time. John Holcomb was in Amboy visiting his best girl Christmas. The Amboy young men presented all of the young ladies with a doll and a Jerusalem overtaker. Miss Maranda Teachworth of Guide Rock, was visiting her sister, Mrs. C. H. Frisbie, last week. Miss Flo Baker is slowly improving. Mr. and Mrs. Knutson of Blue Hill, are visiting their parents, Mr. and Mrs. F. M. Cockrall, this week. The agent for turkey roaster is delivering them in this part of the country. A young man of this vicinity bought one. That looks like he is going to back next year.

**Ash Creek.**  
Everything passed off rather cool Christmas. Uncle Jim Chafman has bought a farm near Salem Kansas consideration \$1,400. We are sorry to lose such neighbors as him. But welcome all the new. The storm caught Mr. and Mrs. Dehart of Red Cloud at there farm. The entertainments at the church was a grand thing, especially for the young men that received so many presents in the shape of doll babies. Mr. Editor we send the news from this place by Santa Claus and as they were not published, just blame him, not us. Mrs. W. Richardson spent last week with her parents in Red Cloud.  
IGNOMINIOUS.

**Senator Sherman Renews His Attack.**  
Senator Sherman renewed his attack and refused to be convinced even by the oratory of the Iowa Senator. He wanted the Senate to do the straight forward thing, and not fiddle about it. Give the Fair \$500,000 and do not make believe that you are deceiving yourselves in giving it a 70-cent silver dollar, or two 35-cent half-dollars. If the children cry for it, as the Senator has said they did, "Why not give them Castoria?" said Sherman. He knew that it was a popular thing with the little ones more popular by thought than even the souvenir half-dollars would be. The galleries looked down in surprise as these remarks came from Sherman, and Congressman who entered the Chamber just as Mr. Sherman uttered them, dropped into the vacant chairs nearest the door.

Although the National Woman Relief Corps has not yet passed its first decade it numbers 130,736 members in good standing, having increased 13,218 during the past year. It has turned over to the various Posts for their relief fund, \$34,188.34, given in cash for relief, \$61,468.63, and given relief other than money, \$38,941.32. The relief fund now invested in bonds amounts to \$77,575.27, and the general fund \$122,535.81.

**Beware of Imitations**  
We desire to inform the public that Dr. Fitcher's Castoria is made and put up in the Laboratory of The Centaur Company, New York, in one size bottle, and on the outside wrapper the formula is printed and the Trade-Mark Signature of "Chas. E. Fitcher, New York." No other preparation offered as Castoria is genuine. To counterfeit or imitate either in the name or signature is a criminal offense. Dr. Fitcher's Castoria has become a valuable standard family medicine with the endorsement of some of the best Physicians in America. Don't allow any one to sell you anything else on the plea or promise that it is "just as good," and will answer every purpose, etc., etc. Castoria is sold by all respectable druggists and dealers in medicine. Do not be deceived when you buy it, but look well at the wrapper and see if it has the Signature of Chas. E. Fitcher, New York. No other can be genuine. Castoria without this Signature is a Spurious Fraud.
