Good Advice Quickly Followed

Cured of Rheumatism by Hood's Sarsaparilla.

"C. I. Hood & Co., Lowell, Mass.: "I was taken down with rheumatism over a year ago. I was sick for over six months. Often I would have such pains that I could hardly endure them. A friend came to me and advised me to try Hood's Sarsaparilla. I took him at his word and got a bottle of it, and since have taken eight bottles of it.

It Has Cured Me When the doctors could do me no good what- ever. After being benefited so much from this medicine I describe Hood's Sarsaparilla as a wonderful medicine. I also advise every one who is troubled with rheumatism not to be with- out Hood's Sarsaparilla. I am a farmer, and the medicine has given me much energy and strength to perform my work." GEORGE W. TULEY, Benjamin, Missouri.

About a year ago I took a violent attack of la grippe. I coughed day and night for about six weeks; my wife then suggested that I try Chamberlain's Cough Remedy. At first I could see no difference but still kept taking it, and soon found that it was what I needed. If I got no relief from one dose I took another, and it was only a few days until I was free from the cough. I think people in general ought to know the value of this remedy, and I take pleasure in acknowledging the benefit I have received from it.
