AUGUST 6 TO 12, WILL BE THE DATES

The Proceedings in Full. The Re-Het Corps Also in Session and Bleet C. L. Cotting. New Officers-The Delegates.

The opera house was pretty well filled up with old soldiers this afternoon, who came here to attend the annual G. A. R., encampment.

Commander Adams was in the chair tut after calling the meeting to order he had Col. Shuler take his place, as he is suffering to day from an aggrevated case of ear ache.

A committee on credentials was first appointed. Their report was later accepted and showed about 75 delegates from posts all over the district present.

Mr. Adams appointed delegates to fill three vacancies on the council of administration, and they at once proceeded to examine bids for the reunion of 1894. Only one was received and that was from Superior. The council turned it in to the adjutant with the earnest recommendation that be acted upon favorably. A resolution to that effect was passed, and Superior is to have the reugion this year. The time was left to the discretion of the commander, and Mr. Adams explained that August 6th to 12th inclusive would probably be the Preaching at New Virginia at eleven dates. It was placed in that week he said, in order to be one week prior to the National Guards encampment the state reunion, the state fair and other events which have been an nounced for the month of August.

A committee from the W. R. C. then appeared with greetings from the interstate encampment of that order which is also being held in the city. The report was greeted with applaus and Hon. Lewis Hanback of Kansas, Gen. Dilworth and Past Commander Cole of Red Cloud were appointed to do the honors for the Grand Army. Later, Messrs.
