magnificent mother-in-law, the Duchess of Southerland, though himself a fair thoroughly cures all difficulties of the Sto- specimen of progressive manhood, is sternly conservative womanward. In a lecture which some twenty years ago he was gracious enough to deliver before a Mechanics' Institute he said: "A woman has no right to appear on a platform except when she is about to be hangedthen it is unavoidable." This smart miserable. If allowed to continue, makes saying caused great hilarity among his nobleman going a great way. I used to quote that sentence in a lecture I was bold enough to deliver from a platform. and it always brought a laugh-at woman's expense—but then, again, my comment on it, though not particularly smart, never failed to bring generous there any good reason why you should not applause, and this comment was: "The use DeWitt's Sarsaparilla? It recommend freedom of the scaffold, the ghastly equality of the gallows, so graciously accorded to woman by the Duke of Argyll, is not enough. Give her a fair swing at life as well as at death; let her have a voice at least in the selection of the men | be strictly enforced hereafter: who make and administer the laws under deprived of her children, imprisoned, tried and hanged." That was my sentiment twenty years ago, it is mine today, garden or enclosure, or permit or cause and I propose to stand by it. Would I the same to be done, nor upon or against and I propose to stand by it. Would I vote if I could? Yea, verily, at divers lane or alley, except for the extimes and in divers place, to make up tinguishment of fires and ordifor my long political desability.
