An Attempt to Lynch a Negro Results in Bloodshed.

KILL THREE PERSONS OUTRIGHT.

A Dozen More Were Injured—Washington Courthouse the Scene of the Conflict. Prisoner Pleaded Guilty in Order to Be Sent to the Penitentiary for Protection. Reinforcements Arrive.

WASHINGTON COURTHOUSE, O., Oct. 18.—Although Jasper Dolly, colored, pleaded guilty Wednesday to outraging Mrs. Mary C. Boyd in order to be rushed off to the penitentiary for protection, he did not get started in advance of the indignant mob. People were swarming into town all day.

The sheriff could not get from the jail to the spot after the prisoner had been sentenced. A little after 6 o'clock the first rush was made on the courthouse. A crowd of determined men attempted to break in the south door while another party charged on the militia at the north door. Some one threw a stone at Colonel Coit and he cried that at the next stone thrown he would order the men to fire. The crowd at the other door were unable to effect an entrance. The courtyard by this time was filled with people and cries of "Give us the bigger," and curses against the militia filled the air. The crowd grew in size every minute.

Colonel Coit made a speech asking the crowd to disperse, but it was received with jeers. The prisoner was prostrated from fear and lay crying and moaning. Up to this time Dolly and his guards had been kept prisoners in the courthouse by the mob and then they made an attack. The militia repelled them without firing at first, but another onslaught was made and the south door was forced open. This door opens upon the street which was filled with men, women and children. The detachment of the guard finally fired on the attacking party. None of the latter were hurt, but a dozen or more persons in the street were struck. Two were killed outright and four more were fatally wounded, one having since died.

The Killed. SMITH WELCH, aged 18, son of a prominent grocer, shot through the head. JESSE JUDY, aged 25, mechanic, shot through the heart. C. W. JOHNSON of Kyle's Station, Butler county, shot through the stomach.

The Wounded. WILLIAM SAUER, aged 35, mechanic, in abdomen. THEODORE AMMEN, 22, artisan, right thigh. DAN PARROTT, 39, farmer, cousin of the outraged woman, shot in the right foot. FRANK HIEDERMAN, 65, shot in left leg, will die.

John Horn, badly shot in foot. Ernest Ellis, thumb shot off. Frank Smith, injuries unknown. John McHugh, boy, shot in foot and will likely die. It is believed many others are wounded and a diligent search is in progress to find them.

Upon the firing, the mob dispersed in all directions, but soon gathered again. Immediately all places of business in the city were shut up. Mayor Cremer personally closed all places where liquor were closed. Every street was filled with people. No time was lost in carrying away the dead and wounded. Business houses and the engine houses were converted into hospitals. All the surgeons in the city were called into service.

Feeling Against the Militia Bitter. Mothers, sisters, wives and sweethearts crowded around the dead and wounded and a tidal fire to the rage of the mob by their lamentations. Feeling against the militia was bitter, vicious and vehement. It prevailed all classes. As time passed the mob grew in size and fury. All over the country by telephone, courier and electric wires the news had spread. All the roads leading to the city were filled with men on horseback, in wagons and on foot, hurrying with all possible speed to the scene of bloodshed.

Meanwhile in Washington Courthouse a search was going on for arms, ammunition and dynamite. Shouts were heard "Down with the militia!" "Blow up the dogs!" and "Along with the black fiend." These shouts but feebly expressed the pent up passion of everybody. For everybody was in the street and all were members of the mob as far as personal feeling was concerned. Plead Guilty and Sentenced. Dolly's crime was committed one week ago at Parrott's Station. Mrs. Mary C. Boyd, aged 55, was his victim. He was brought into court at 4 o'clock Wednesday afternoon. He pleaded guilty and was sentenced to 20 years in the penitentiary. An angry mob gathered about the jail Tuesday afternoon after Dolly had been identified by his victim and Sheriff Cook called to his assistance the local militia company. This action increased the fury against Dolly and Governor McKinley was appealed to for additional assistance and troops from Columbus was sent here Wednesday morning. Colonel Coit in command. The mob surrounded the jail and courthouse, attempting to take Dolly from the officers when he was removed from the jail to the courthouse for trial, but they were kept at bay by the use of bayonets and clubbed guns. Henry Kirk, brother-in-law of the assaulted woman, was then thrown down the steps of the courthouse and badly bruised. Another man was bayoneted through the finger, while a boy was thrust through the clothes of another. Duplicates with revolvers drawn Dolly's prisoner in the courthouse, around to take a baby and kept looking in to keep up. Soldiers were marched sentence to crowd quiet. After the grand jury was taken to the about the crime. A mob gathered to get the baby and it was impossible to get the baby through to take powerless to get. The officers were home to the jail by the court-sheriff Cook ward. The train and more troops. Governor to send. The town is quiet a.

Big Tree Predicts Trouble. Great Apache Chief Denounces the Colonization of Geronimo's Band. WICHITA, Oct. 19.—Big Tree, principal chief of the Apache Indians in the Indian Territory, was here enroute to the Baptist convention at Winfield. He talked freely through his interpreter concerning the matters of his tribe. He denounced the colonization of Geronimo and his band in the Apache reservation as an outrage and said it would cause trouble. He said that as the lands of the Apaches will be divided in two years hence the colonization of Geronimo's tribe will materially lessen the pro rata portion of the soil which belongs to his tribe and with whom Geronimo's people have had no relation since 1848. Big Tree also claims the recent treaty of the government with the Apaches was obtained through fraud perpetrated by the interpreter who gave the Indians the wrong paper to sign. Big Tree is the warrior who caused so much trouble in Kansas and Texas 20 years ago when the Indians were engaged in a conspiracy to massacre General Sherman. He predicts serious trouble over Geronimo.

One month later she informed Mr. and Mrs. Dixon that she had secured the positions and advised them to sell their household goods and be ready to go to Olathe at once. The affidavit says: "The first time Mrs. Lease met with the board after we had taken our situations, she came into the Matron's room and said: 'Now, Judge, you have got a chance to make money. Pay yourself from the income of the institution and charge it to the maintenance and repairs of the institution. All you will have to do will be to make your books agree with the amount you take.' 'My answer was: 'I can't do that, I never had that kind of a record.' 'She again remarked: 'You let about \$20,000 go by you when you were police judge of Wichita. Now you take care of yourself. Don't be foolish. They are all doing it, from the governor down. No worse for you than others.' 'The next time she approached me about taking money belonging to the state, she stopped over by herself, got off the train in the evening. After supper she came into our room. After talking a short time she again came to the money question, of what is called 'knocking down' money that is not your own. 'She looked at me very earnestly, telling me to take enough money to buy a farm; but not enough to buy her a farm. I then repeated my former answer that I could not do that. She then used a part of her former statement that they were all doing it. Several months since Dixon and wife were discharged from the institution upon the recommendation of Mrs. Lease.
