The next morning she found that her cold had almost entirely disappeared. During the day she took a few doses of the remedy, one teaspoonful at a time, and at night again took a teaspoonful before going to bed and on the following morning awoke free from all symptoms of the cold.

Since then she has, on several occasions, used this remedy in like manner, with the same good results, and is much elated over her discovery of so quick a way of curing a cold. For sale by Deyo & Grice.

A Chance to Make Money.
I have had my first streak of luck and I want to tell you about it. A little over four weeks ago I began selling Dish Washers, and have cleared in that time \$400. Isn't that pretty good for the first month? I am sure I can do better every month right along, as every Washer I sell helps to sell others. I can wash and dry the dishes for an ordinary family in two minutes, and as soon as people see such a machine, they will buy it quick. This is a business anyone can do well at, in any locality. You can get full particulars by addressing the Iron City Dish Washer Co., E. E. Pittsburg, Pa. Don't wait till some one else gets your home territory, but start to work at once.
