Deafness Cannot be Cured. by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness caused by catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. Cheney & Co., Toledo, O.

When the hot winds from Kansas rage over the plain, And we've went ninety days without a drop of rain, And the thormometer a risin' to 100 in the shade, Sure 'tis then that we're a thinkin' we're in the middle of Hades.

But take courage my friends we'll try it again Both Foster and Hicks says there will be plenty of rain. The earth will be soaked till it won't hold any more, And we'll raise such a crop as was ne'er heard of before.

But changing the subject I'll go on and say, That there is no other coat like a gray cutaway, Which fits you so nicely that the ladies all smile, Sure 'tis worth a small fortune to be in the style, When I look on my coat tails my heart fills with joy, And I think there's yet hope left for a poor Irish boy.

We are rapidly climbing the ladder of fame, And we'll sometime create for ourself a great name.

Then Mr. Colonel Blahy will take a back seat, And the lines of your servant will be hard to beat, We'll warble and trill like the birds in the trees And we'll write for the papers whenever we please.

A Happy Mother—\$79.50 in a Week.

MR. EDITOR:—I feel so happy that I must tell, through your valuable paper what I do, so others can be happy and make money too. Things looked blue; these hard times had thrown my husband out of work; the interest on the mortgage was coming due and no money. I saw an advertisement of the Rapid Dish Washer and thought I could sell them. I sent \$5.00 got one and my husband washed the dishes because he did not have to rub them or dry them; they came out all nice and clean and ready for the shelf. He also took care of the house and baby. I got the agency and sold ten the first day and have cleared this week \$72.50 and will by next week have money all winter. Anyone out of work should send to W. P. Harrison & Co., Columbus, Ohio, and get a circular have a happy home and make money too. Times are going to be hard this winter, and much suffering can be saved if mothers and daughters would do as I have.
