**A Bill Appropriating \$200,000 for Relief Becomes a Law.**

Governor Holcomb yesterday signed house roll No. 525, the bill appropriating \$200,000 for relief of people in the drouth stricken districts, and the state relief commission will appropriate the money between counties that apply for a share before April 1. The following is the full text of the bill:

Section 1. That there be and is hereby appropriated from the state treasury, from funds not otherwise appropriated, the sum of \$200,000 for the purpose of procuring seed and feed for teams for the destitute farmers of this state during the spring of 1895.

Sec. 2. It is hereby made the duty of the auditor of public accounts to draw his warrants on the state treasurer, on the requisition of the state relief commission, approved by the president and secretary thereof, in favor of the several county treasurers of the counties entitled to receive aid under the provisions of this act, for such portion of the amount herein appropriated as the state relief commission may determine necessary in accordance with the provisions of this act.

Sec. 3. It shall be and is hereby made the duty of the state relief commission to appoint in each of the counties entitled to receive aid under this act, where such appointments have not already been made, a county central relief commission and in every county entitled to receive aid under this act, the county central relief commission shall have charge of all seed and feed procured for their respective counties, and said county central relief commission shall appoint a sub-committee in each voting precinct. Two or more of the county commissioners or supervisors, as the case may be, together with the county clerk shall be members of the county central relief commission, and such county central relief commission shall on its appointment, immediately organize by the election of a president and secretary.

Sec. 4. The county clerk shall, on requisition of the county central relief commission, signed by the president and secretary, draw his warrant on the sum placed in the county treasury by the provisions of this act, in payment for such seed and feed as may be procured by the county central relief commission, and the expenses incurred in procuring the same.

Sec. 5. The county central relief commission of the several counties shall use the sum placed in the county treasury by the provisions of this act or so much thereof as may be required, in the procuring of seed and feed for teams and shall apportion the same pro rata to the several precincts in proportion to the number of needy in such precinct. Said seed and feed as apportioned by the county central relief commission shall be delivered to the several sub-relief commissions for distribution.

Sec. 6. It is hereby made the duty of the state relief commission to aid the several county central relief commissions in the procuring of seed and feed, when requested by the said county central relief commission so to do, and furnish to them upon application all information upon the subject which they, the state relief commission, may possess; provided, that where the county central relief commission so desire, they may procure their supply of seed and feed through the state relief commission.

Sec. 7. The sub-relief commission of the several counties shall report to their county central relief commission the disposition of all seed and feed passing through their hands, giving the names of the persons receiving the same the amount and kind of seed and feed each person received, and the several county relief commissions shall compile the reports so received from the sub-relief commissions into a statement which shall give a complete accounting of all moneys received and paid out under this act, which statement shall be submitted to the county board for their indorsement and approval at the next regular meeting.

Sec. 8. That all moneys appropriated and to be distributed under the provisions of this act shall be divided among the several counties having relief commission auxiliary to the state

relief commissions pro rata according to the number of farmers requiring such seed and feed in said counties, the same to be determined by the state relief commission, based on knowledge now in their possession or upon information in writing, signed by the county central relief commission of such county, showing the number of farmers in need of such aid in the several counties; the state relief commission shall receive the sum of \$500 for services properly rendered under this act, to be paid out of the appropriation herein provided for.

Sec. 9. Any member of the county central relief commission, or of the sub-relief commission, knowingly distributing feed or seed to individuals who are able to procure the same for themselves, or who shall show favoritism in such distribution to a member of any secret, political or religious organization, or who shall improperly dispose of any such seed or feed, shall be deemed guilty of a misdemeanor, and upon conviction shall be fined in a sum not exceeding \$100 or imprisoned in the county jail not more than thirty days.

Sec. 10. In the distribution of seed and feed as provided for herein no old soldier of the union army shall be discriminated against on account of his drawing a pension of \$12 or less per month.

Sec. 11. No county shall receive aid which does not furnish the information called for in this act to the state relief commission on or before April 1, 1895, and the distribution to the several counties shall be construed so as to not interfere with donations, solicited by or made to individuals, precincts or municipalities.

Sec. 12. Whereas an emergency exists this act shall be in force and take effect from after its passage.

"Perhaps you would not think so, but a very large proportion of diseases in New York comes from carelessness about catching cold," says Dr. Cyrus Edson. "It is such a simple thing and so common that very few people, unless it is a case of pneumonia, pay any attention to a cold. New York is one of the healthiest places on the Atlantic coast and yet there are a great many cases of catarrh and consumption which have their origin in this neglect of the simplest precaution of every day life. The most sensible advice in, when you have one got rid of it as soon as possible. By all means do not neglect it." Dr. Edson does not tell you how to cure a cold but we will. Take Chamberlain's Cough Remedy. It will relieve the lungs, aid expectorations open the secretions and soon effect a permanent cure. 25 and 50 cent bottles for sale by Deyo & Grice.

**Now--the Time to Make Money.**  
Last month I cleared, after paying all expenses, \$175.46; the month before \$149.93, and have at the same time attended to my regular business, I believe anyone anywhere, can do as well, as I have not a particularly good location and no experience. When you have an article that every family wants, it is very easy selling it. It seems strange that a good, cheap Dish Washer was never before placed on the market. With the Clinax which sells at \$5, you can wash and dry the dishes for a family in two minutes, without putting the hands in water; as soon as people see the washer work the want one, and that is why so much money can be made so quickly. Full particulars, address the Clinax Mfg Co., Columbus, Ohio. I feel convinced that any lady or good man in any location, can make from \$5 to \$10 a day, as every family will very soon have a Dish Washer. Try it, and publish your experience for the benefit of others.

**Ayer's Sarsaparilla**

"For five years, I was a great sufferer from a most persistent blood disease, none of the various medicines I took being of any help whatever. Hoping that change of climate would benefit me, I went to Cuba, to Florida, and then to Saratoga Springs, where I remained some time drinking the waters. But all was no use. At last, being advised by several friends to try Ayer's Sarsaparilla, I began taking it, and very soon favorable results were manifest. To-day I consider myself a perfectly healthy man, with a good appetite and not the least trace of my former complaint. To all my friends, and especially young men like myself, I recommend Ayer's Sarsaparilla, if in need of a perfectly reliable blood-purifier."—JOSE A.
