They will accept whiskey, tobacco, canned fruit, clothes a quarter of beef or anything that may be tendered them, just so you don't ask them to pay for it.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75.

IN MEMORY OF COMRADE HARRY PALMER.
In the havoc of war and the battle's commotion
This soldier has marched to the front of the fight,
And his heart ever beat with the truest devotion
For his country, her cause and her freedom and right.
And now all the battles of earth have been vanquished
His spirit has soared, pure, undaunted a way,
From the earth where in death's cruel fetters he languished
And all earth's dark shadows are now joyous day.
Ah, list to the song o'er his grave they are singing
"One by one, one by one" ah, the depth of their grief,
As down on his heart lovely flowers they are flung
In this office of love may their hearts find relief.
And now fire the volleys and lower the colors
And leave this dead soldier to God and his love,
May the grief stricken hearts that today mourn the fallow
Be all reunited in joy above. RITA.

In the Spring.

Nearly everybody needs a good medicine. The impurities which have accumulated in the blood during the cold months must be expelled, or when the mild days come, and the effect of bracing air is lost, the body is liable to be overcome by debility or some serious disease. The remarkable success achieved by Hood's Sarsaparilla and the many words of praise it has received, make it worthy of your confidence. We ask you to give this medicine a trial. We are sure it will do you good. Read the testimonial published in behalf of Hood's Sarsaparilla, all from reliable, grateful people. They tell the story.

How to Make Money

I understand now why I could not make money with the plater that I had. There are so many things about the plating business that I did not understand. It was not until I saw the advertisement of Gray & Co., Plating Works, Columbus, Ohio, that I commenced to make money. The Royal Plater is sent by this house and all the trade secrets connected with the plating business such as are necessary in the great gold and silver plating factories are given free. As soon as I got the Royal Plater I made money right along. Last week I cleared \$75.50 and everybody is delighted with my work. Anyone who has had trouble with their plating machines, as I have should send to the above firm and obtain their circulars, and they will be able to make lots of money as I have done. The Royal Plater is fitted out complete everything ready for business; you do not have to spend a cent for materials. During these hard times this information is valuable.

ECZEMA

From early childhood until I was grown my family spent a fortune trying to cure me of this disease. I visited Hot Springs, and was treated by the best medical men, but was not benefited. **FROM** When all things had failed I determined to try S. S. S., and in four months was entirely cured. The terrible Eczema was gone, not a sign of it left; my general health built up, and I have never had any return of the disease. **CHILDHOOD** I have since recommended S. S. S. to a number of friends for skin diseases, and have never known a failure to cure. **SWIFT SPECIFIC CO., Atlanta, Ga.** Never fails to cure, even after all other remedies have. Our Treatise on Blood and Skin Diseases mailed free to any address.

It May Do us Much for You.

Mr. Fred Miller, of Irving, Ill. writes that he had a severe pain in his back and also that his bladder was affected. He tried many so called kidney cures but without any good result. About a year ago he began the use of Electric Bitters and found relief at once. Electric Bitters is especially adapted to cure of all kidney and liver troubles and often gives almost instant relief. One trial will prove our statement. Price only 50c. for large bottle. At C. L. Cotting's drugstore.

There was a feeling of oppression about my heart, and I was afraid to draw a full breath. I could not sweep a room without resting. My husband induced me to try

Dr. Miles' Heart Cure

Historic Bill of Fare.

A bona fide "bill of fare" from a California restaurant in "gold fever" days reads like a burlesque, and in its rude humor and exaggeration makes us feel that Bret Harte's stories may be no whit more fantastic than the truth.
