CASTORIA

for Infants and Children.

BHIRTY years' observation of Castoria with the patronage of millions of persons, permit us to speak of it without guessing.

It is unquestionably the best remedy for Infants and Children the world has ever known. It is harmless. Children like it. It gives them health. It will save their lives. In it Mothers have something which is absolutely safe and practically perfect as a child's medicine.

Castoria destroys Worms. Castoria allays Feverishness,

Castoria prevents vomiting Sour Curd.

Castoria cures Diarrhos and Wind Colic.

Castoria relieves Teething Troubles. Castoria cures Constipation and Flatulency.

Castoria neutralizes the effects of carbonic acid gas or poisonous air. Castoria does not contain morphine, opium, or other narcotic property. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep.

Castoria is put up in one-size bottles only. It is not sold in bulk. Don't allow any one to sell you anything else on the plea or promise that it is "just as good" and "will answer every purpose." See that you get C-A-S-T-O-R-I-A.
