STUNNER

When moving into our present home I found a bottle of Chamberlain's Pain Balm left by a former tenant. On the label I found the statement that it was good for cuts and burns. I can testify to the truth of this. Nothing in all my experience has found its equal for blisters and burns. F. E. Barrett, manager Le Sueur Sentinel, Le Sueur, Minn. Pain Balm is also a sure cure for rheumatism. For sale by Deyo & Grice, druggists.

SIMPSON.

The shakers have made a hit. Their Digestive Cordial is said to be the most successful remedy for stomach troubles ever introduced. It immediately relieves all pain and distress after eating, builds up the feeble system and makes the weak strong. The fact is, foods properly digested are better than so-called tonics. The Cordial not only contains food already digested but is a digester of other foods. Food that is not digested does more harm than good. People who use the cordial insure the digestion of what food they eat and in this way get the benefit of it and grow strong. The little pamphlets which the Shakers have sent druggists for free distribution, contain much interesting information on the subject of dyspepsia.

A Valuable Find.

After years of study and labor, there has at last been discovered a sure and never-failing remedy. It has been tested on patients, who have despaired of ever being cured, the results have been, in every case wonderful. Groff's Rheumatism Cure is unequalled as a positive remedy in all cases of Chronic and Acute Inflammatory Rheumatism, Gout, Lumbago, Sciatica, Neuralgia, Dysmenorrhoea and all kindred affections. It is also a valuable Blood Purifier, being especially useful in Eczema, Psoriasis, Scrofula, all Glandular Enlargement and diseases of the liver and kidneys. It is absolutely free from all narcotics. Severe attacks are relieved in from one to three days and a positive cure effected in from five to eighteen days. C. L. Cotting Red Cloud, Neb. 13-4m

Of Interest to Old Soldiers.

It appears from numerous letters received by this Commission that its previous circular in regard to furnishing quarters in camp barracks has been construed to mean that such barracks will be erected without regard to the orders received, and that those desiring these quarters can obtain them upon their arrival at Chattanooga. This, however, is not the case.

As Congress made no appropriation for free quarters, a plan has been devised by which barracks accommodations could be provided by the Citizens' Committee of Chattanooga at a very low rate for all who might order such a sufficient time in advance. It is the intention to extend barracks as orders for accommodations are received. Such accommodations can not be provided under applications received after August 30, 1895.

Those who send two dollars to Captain Charles F. Muller, Chattanooga, Tennessee, will receive in return a ticket which will entitle the holder to a comfortable barrack bunk for the entire time of his stay at Chattanooga including safe storage for hand baggage and toilet accommodations. It will not be possible to furnish ladies with quarters in these barracks, or to supply meals or lunches in connection with them. It will be necessary for each person to bring his own blanket and towels. The barracks will be constructed upon the plan adopted at the last Grand Army Encampment at

Washington City, where a very large number of veterans were thus housed. Such structures will be erected in Chattanooga where, within convenient distances, meals and lunches may be obtained at reasonable prices.

Communications in regard to barracks addressed to Captain Muller, who was selected by the Citizens' Committee to take charge of this work, will receive prompt and reliable attention.

The indications of a very large attendance at the dedication are such as to lead this Commission to urge that all contemplating attendance make arrangements in advance for quarters. A Citizens' Executive Committee, of which Captain H. S. Chamberlain is chairman, is now canvassing the city of Chattanooga to find quarters in private families for those who desire such accommodations. Full information may be obtained by addressing that Committee, and assurances have been given that rates will be reasonable.

Chairman of Commission.

Do not neglect the symptoms of impure blood. Do not disregard Nature's cry for help. Take Hood's Sarsaparilla and guard against serious illness and prolonged suffering.

Hood's pill's for the liver and bowels, act easily yet promptly and effectively.

Judson.

Quite a number of Judson folks are making preparations to attend the reunion at Hastings next week.

Rev. Humrick has been holding meetings at Womer with good success.

Wm. Hooper received the sad news from British Columbia last Tuesday, of the death of his mother. She was sick only a few days.

Mr. Horton is going to Missouri as soon as he can sell his crop. He will be missed by his friends.

J. W. Corbett took a trip about thirty miles east into Kansas and came back loaded with about forty shots.

Sid.

Kenneth Bazemore had the good fortune to receive a small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy when three of his family were sick with dysentery. This one small bottle cured them all and he had some left, which he gave to Geo. W. Baker, a prominent merchant of the place, Lewiston, N. C., and it cured him of the same complaint. When troubled with dysentery, diarrhoea, colic or cholera morbus, give this remedy a trial and you will be more than pleased with the result. The praise that naturally follows its introduction and use has made it very popular. 25 and 50 cent bottles for sale by Deyo & Grice, druggists.

"Mothers' Friend" Cures Rising Breast.

I have been a midwife for many years, and in each case where "MOTHERS' FRIEND" was used it accomplished wonders and shortened labor and lessened pain. It is the best remedy for RISING OF THE BREAST known, and worth the price for that alone.
