A MARTYR TO INDIGESTION

Cured by Using **Ayer's Sarsaparilla**

Words of Comfort to All who Suffer from Dyspepsia.

"For years, I was a martyr to indigestion, and had about given up all hope of ever finding relief, as the complaint only seemed to grow worse instead of better, under ordinary treatment. At last, I was induced to try Ayer's Sarsaparilla, and I hereby testify that after using only three bottles, I was cured. I can, therefore, confidently recommend this medicine to all similarly afflicted."—FRANKLIN BECK, Avoca, Ia.

Worthy Your Confidence.

The success of Hood's Sarsaparilla in conquering scrofula in whatever way it may manifest itself is vouched for by thousands who were severely afflicted by this prevalent disease, but who now rejoice over a permanent cure by Hood's Sarsaparilla. Scrofula may appear as a humor, or it may attack the glands of the neck, or break out in running sores on the body or limbs. Attacking the mucous membrane it may develop into catarrh or leading in the lungs lead to consumption. Come as it may, a faithful course of treatment with Hood's Sarsaparilla will overcome it for working upon the foundation of all diseases, impure blood, the system is clarified and vitalized, and vigor, strength and health is restored to the body.

CASTORIA

for Infants and Children.

MOTHERS, Do You Know that Paregoric, Bateman's Drops, Giffrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The signature of *Charles H. Pitcher* is on every wrapper.

WHY ARE HEELER & WILSON'S No. 9 SEWING MACHINES POPULAR? BECAUSE LADIES BUY THEM LIKE THEM AND TELL THEIR FRIENDS.

Many ladies have used our machines twenty to thirty years in their family work, and are still using the original machines we furnished them a generation ago. Many of our machines have run more than twenty years without repairs, other than needles. With proper care they never wear out, and seldom need repair.

We have built sewing machines for more than forty years and have constantly improved them. We build our machines on honor, and they are recognized everywhere as the most accurately fitted and finely finished sewing machines in the world. Our latest, the "No. 9," is the result of our long experience. In competition with the leading machines of the Paris Exposition of 1889, as the best, other machines receiving only complementary medals of gold, silver and bronze. The Grand Prize was what all sought for, and our machine was awarded it.

Send for our illustrated catalogue. We want dealers in all unoccupied territory.
