Wm. Ryan died November 24th, 1895, after a long sickness, caused by blood poison. He went to Kansas City in August and had his hand amputated, and was better for a while until his arm began to swell. His body was swollen to nearly twice its natural size before he died. He was buried in the Red Cloud cemetery on Tuesday. The bereaved family have the sympathy of the community in which they live. **SNOW FLAKE.**

Geo Howard, 3100.

The reader of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional remedy. Hall's Catarrh Cure is taken internally acting directly on the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & CO., Toledo, O Sold by Druggists, 75c.

ST. VITUS DANCE.

A Physician Prescribes Dr. Miles' Restorative Nervine.

Dr. Miles Medical Co., Elkhart, Ind.:
My daughter Mattie, aged 14, was afflicted last spring with St. Vitus dance and nervousness, her entire right side was numb and nearly paralyzed. We consulted a physician and he prescribed Dr. Miles' Restorative Nervine. She took three bottles before we saw any certain signs of improvement, but after that she began to improve very fast and I now think she is entirely cured. She has taken nine bottles of the Nervine, but no other medicine of any kind.
