Garfield Post No. 80, G. A. R. held a very pleasant session last Saturday evening. The post was inspected by a Superior gentleman, after which the W. R. C. ladies gave them a grand feast, such as they know so well how to do. Speeches, music, &c., was the order of the evening and before the midnight hour they adjourned, feeling that the occasion was a most pleasant one. The old soldier is surely entitled to all the good things that this world affords.
There were ten official positions in the county that were tied at the last election such as township clerks, justices of the peace, treasurers, assessors, &c. County Clerk Fert sent out due notices that the disputants should appear at his office on a certain day. Only one man appeared, and it is said that he was a pop and came ten miles through the cold to be sure that there would be no tricks. He drew and in drawing he drew the blank and now the republican wears the honor and he is sorry that he took a ten mile ride for fun.
