COMMON SENSE CURE. PYRAMID PILE CURE CURES PILES PERMANENTLY BY CURING THE CAUSE. Remarkable Remedy which is Bringing Comfort to Thousands of Sufferers. Probably half the people who see this article suffer from piles. It is one of the commonest diseases and one of the most obstinate. People have it for years and just because it is not immediately fatal they neglect it. Carelessness about an end of suffering. Carelessness about as simple a thing as piles has often caused death. Hemorrhages appear from no apparent cause and loss of blood causes death. Hemorrhage occurs during surgical treatment, often causing death. Piles are simple in the beginning and easily cured. They can be cured even in the worst stages, without pain or loss of blood, quickly surely and completely. There is only one remedy that will do it—Pyramid Pile Cure.

Poison engendered by food fermenting in a dyspeptic stomach are the direct cause of rheumatism, gout, bronchitis, liver and kidney complaints, asthma, pneumonia, and many nervous ailments. These results are prevented by the use of the Shaker Digestive Cordial, a remedy discovered and prepared by the Shakers of Mount Lebanon, N. Y. It is in itself a food that has power to digest other food taken with it. Thus it relieves the diseased stomach and finally masters the worst cases of dyspepsia. It acts promptly and fresh strength and increase of weight soon follows. The first dose, taken immediately after eating, abates the pain and distress so dreaded by dyspeptics. Trial bottles—enough to prove its merits, 10c.

If you have anything to say about a person be man enough to come out and say so. People who receive these letters are aware that they are a bundle of falsehoods and the contents therein cannot be proven or the names of the writers would be attached. And to the writer of "Lost Shawl" and "Gentleman's Glove" I would say that your letters are not excepted in the above, and also warn you against a repetition of the same as your identity is pretty well known.
