Mrs. A. J. Stearns, of West Stockholm, St. Lawrence Co., N. Y., under date of July 31, 1895, says: "Words fall me to express my gratitude to Dr. A. Owen for the benefit! have had from taing his Electric Appliances. Before using the appliance I was so weak I could scarcely stand alone; had been conflued to my bed since last October. After the third day's use of the appliance I could walk several steps; one week later I walked around the house, and in less than one month I was able to ride out, and now I can walk a mile or more without feeling tired. May God bless and spare you to your many friends for years to come."

Mr. Axel J. Ekblade, of Walsburg, Kan, under date of July 20th, 1895, says: "Having used the Dr. Owen Electric Appliances for Xervousness for the past few months, must say they are ahead of any treatment. I am cured of the worst form of Nervous Disease." Mr. A. Nibek, of Middlefield, Iowa, writing us on June 27, 1825, says: "This is to certify that I have derived more benefit from using the Owen Electric Appliances for a severe case of kidney complaint and nervous prestration than from hundreds of dollars spent for doctor's bills and medicine."

Our Large Illustrated Catalegue contains many endorsements like above, besides st of appliances, and much valuable information for the afflicted. Send 6 cents in stamps When writing parties about their testimonials enclose a self-addressed stamped envelope to insure a reply. We have been before the public many years, and our Electrical Appliances have become a recognized standard of merit.

IN A FEW WORDS.

Sufferers from Piles May Learn of a Harmless, Lasting Cure. There are plenty of pile cures which give relief and sometimes cure a mild case of piles, but there is only one which can be depended upon with certainty to cure obstinate, longstand-

ing cases and that is the Pyramid Pile Cure. Endorsements and testimonials are received daily from men and women whose integrity and reliability are above question and in this connection a letter received from the Rev. Jas. H. Westbrook of Bowne, Mich., may be of interest to pile sufferers who have sought in vain for a cure. He

I have used the Pyramid Pile Cure and I know that it is all that is claimed for it. I have been troubled with piles more or less for about eighteen years and I had tried other remedies. but the piles grew worse until about ten months ago I used the Pyramid Pile Cure. It gave almost instant re-lief and I have been free from piles ever since.-Rev. Jas. H. Wesbrook, Mr. Frank Smith, the well known

and popular druggist of Ypsilanti, Mich., in speaking of the Pyramid Pile Cure says: "A year ago I sold C. C. Potter, 119 Hamilton St. Yysilanti, Mich., a box of the Pyramid, Pile Cure. He made the following statement to me today: "I have been troubled for twenty years with itching piles. Have tried nearly everything that promised relief, but got very little help until one year ago I called on my druggist, Frank Smith, and got a box of the Pyramid Pile Cure, The one box used according to directions was, in my case, a perfect cure as a year spent without any symptoms ef the trouble has convinced me.
