**Nervous**

People often wonder why their nerves are  
so weak; why they get tired so easily;  
why they start at every slight but  
sudden sound; why they do not sleep  
naturally; why they have frequent  
headaches, indigestion and nervous

**Dyspepsia**

The explanation is simple. It is found in  
that impure blood which is continually  
feeding the nerves upon refuse  
instead of the elements of strength and  
vigor. In such condition opiate and  
nerve compounds simply deaden and  
do not cure. Hood's Sarsaparilla feeds  
the nerves pure, rich, red blood; gives  
natural sleep, perfect digestion, is the  
true remedy for all nervous troubles.

Sarsaparilla**

ALLISON, of Iowa, seems to have a  
goodly following for the presidency. He  
is a good man.

NEW YORK state will go solidly for  
Morton in the next republican presidential  
convention.

THE Commercial Club has a proposi-  
tion before it for the re-erection of the  
electric light plant.

BEN HARRISON is about to become a  
victim of Cupid and, therefore, has lost  
his presidential fever. Few men are  
better qualified to fill the presidential  
chair than he.

JOS. NAU, the artistic wielder of the  
grey goose quill of the Blue Hill Leader,  
invaded our tepee this week and  
swapped editorial prevarications. Joe  
makes a mighty good paper out of the  
Leader.

THE McKinley fever still pervades the  
American public, and, of all men named  
as presidential timber, McKinley leads  
by far. He has the right ring to him  
for that office; his record is clean; be-  
sides, he is purely an American.

It has been a custom of the state  
supreme court on the first day of its  
January session to call on the governor,  
but this year they omitted the custom,  
owing, no doubt, to the governor's un-  
called for criticism of their actions.  
When one man impugns the work of  
three other men, in every way his equal,  
he should not expect much courtesy;  
hence, the omission.

EX. U. S. SENATOR Manderson of Oma-  
ha is being liberally mentioned as one  
of the presidential possibilities. Surely  
Nebraska is entitled to the presidency  
and we do not know of a better man  
nor one more able to fill that responsible  
position. One thing is certain; were  
Manderson president, the old soldiers  
would need have no fear of having pen-  
sion legislation vetoed.

Those farmers who leave Nebraska  
for other climes will be sorry for it. Of  
course, hard times and partial failure of  
crops have made the times oppressive,  
but there will be a return of prosperity  
and then those who have gone else-  
where will learn of their mistake. There  
are no agricultural lands anywhere that  
can be more easily tilled than Nebraska  
land. Stay by your own state.

There is any quantity of yellow ochre  
in this vicinity, acres of stucco, a very  
fine quality of polishing powder, evi-  
dences of coal, and even gold in this  
vicinity, in fact, there are quite a num-  
ber of minerals abounding in the hills  
in this region that would pay to be  
worked. The Commercial Club is in-  
vestigating these things with a view to  
ascertaining their worth, and, if found  
to be valuable, will try to get them de-  
veloped. Further particulars will be  
given to our readers later; in the mean-  
time, add your name to the club.

**You've Tried too Often Already**

Some effort should be made by Red  
Cloud to operate the creamery this sea-  
son. There ought to go some way to  
create enthusiasm enough in our busi-  
ness men to move it along. It is a de-  
cided blow to our city to allow a cream-  
ery elsewhere to do a \$100,000 business  
while we remain idle with our hands in  
our pockets. If we are going to do any-  
thing now is the time to do it.—CHIEF.

The only way you could get the old  
shack into operation, Hosmer, would be  
to tear it down, remove it to and rebuild  
it in Blue Hill. We have the people to  
operate it and the cows to furnish the  
cream to keep it busy from January to  
January—Blue Hill Leader.

Oh, no, Joseph, the Red Cloud cream-  
ery will run, and the cows are here, and  
the cream will stay here. There will be  
no fooling under the new deal. You  
watch us churn, Josie, old boy, and you  
will see more butter plod up here than  
was ever made in Blue Hill. See?

ABRAHAM LINCOLN, the greatest man  
of modern times, would have been 87  
years of age had he lived until last  
Wednesday; he was born in 1809.

Hon. Jules Lombard, traveling pas-  
senger agent of the Pennsylvania rail-  
way, was in the city this week attending  
court. On Wednesday night he enter-  
tained the lawyers, witnesses, jurors,  
and spectators with a fine Scotch song.  
He is said to be one of the finest singers  
in the country. He is a venerable look-  
ing gentleman, with long, silver locks.  
In the '60's he went all over Chicago,  
singing patriotic songs, firing the north-  
ern blood with flames of patriotism for  
the union.

THE Commercial Club has been hold-  
ing joint sessions this week with the cream-  
ery note holders and with Mr. W. R.  
Parker, and have finally gotten the  
creamery in fair shape to be operated  
soon. The note holders will soon be in  
possession, and, as quick as they are, a  
contract will be made with some one to  
operate it for a period of five years.  
The creamery has been a failure from  
almost the start, for various reasons,  
but will, under the new regime, be a  
success. So much for the Commercial  
Club.

Out of weakness comes strength when  
the blood has been purified, enriched and  
vitalized, the appetite restored and the  
system built up by Hood's Sarsaparilla.

Hood's Pills cure nausea, sick head-  
aches, indigestion, biliousness. All drug-  
gists. 25c.

J W Pierce, Republic, Ia., says: "I  
have used One Minute Cough Cure in my  
family and for myself, with results so en-  
tirely satisfactory that I can hardly find  
words to express myself as to its merit.  
I will never fail to recommend it to others

acreeage shall be made up previous to

ing to give the crop the best of atten-

**HOME DYES THAT ARE FAST  
Easy to Make Beautiful Colors  
With the Reliable Diamond  
Dyes.**

Scores of women in Red Cloud are to-  
day wearing dresses of fashionable color  
that would have been thrown aside long  
ago had it not been for Diamond Dyes.  
With a ten cent package of these sim-  
ple home dyes, even a novice can dye a  
fast and beautiful color equal to the  
work of the professional dye-house.

Cloaks, capes and shawls can be readi-  
ly dyed, so that a faded garment will  
look as though it was right from the  
shop.

Out of the 50 digerent kinds of Dia-  
mond Dyes, 12 are special fast colors for  
cotton and mixed goods, that will not  
crook or fade, even when washed in  
strong soapuds. These dyes are made  
from a peculiar combination of dye-  
stuffs, and cannot be had except in the  
Diamond.

For over twenty years Diamond Dyes  
have been the standard home dyes, and  
have taken the place of crude dyestuffs  
and unreliable package dyes in all parts  
of the world. This marvelous success  
has naturally inspired more or less  
worthless imitations, sold to the trade at  
a less price, and which a few unscrupu-  
lous dealers urge upon their customers.  
The only way to insure success in  
home dyeing is to use only the Diamond,  
the strongest, fastest, and most success-  
ful of all dyes.

THE NEBRASKA AND KANSAS FARMER,  
established in 1891 by D. J. Myers, and  
one of the best agricultural papers pub-  
lished in the state has been reorganized  
and will start in with volume two,  
March 15, 1896. THE FARMER is pub-  
lished in the interest of Nebraska and Kan-  
sas farmers. Its owners request farmers  
everywhere, and those interested in agri-  
cultural pursuits to send in communica-  
tions of interests on any subject pertain-  
ing to the farm.

**SCHOOL ITEMS.**

Editor, Miss Mamie Weideman,  
Reporters: Jeannette Dilly,  
Mary Eames.

The program was changed Friday; it  
took effect on Monday a. m.

The high room has No. 4 this week;  
it is the best number they have had  
since school began. If they still im-  
prove, we will soon have the banner  
"once again."

Miss Garber now has charge of the  
Geology class.

Little Halthe Thomas was a pleasant  
visitor Tuesday.

Miss Edith Palmer entertained the  
9th grade Saturday evening. A very  
pleasant evening was spent.

It look rather suspicious the other  
day when one small boy named J—  
came to school with two long hairs on  
his coat.

Two delegates from the Junior class  
were permitted to go to the court-house  
Tuesday p. m. to listen to a trial. A re-  
port was given by them Wednesday p.  
m., which interested the school very  
much.

One boy of the 10th grade got up so  
late Thursday morning that he forgot  
to comb his hair before coming to  
school.

Prof. Wilson being away Wednesday  
p. m., the General History was con-  
ducted by Harry Brown and the German  
class by Pearl Ludlow.

A funeral notice was passed around to  
the pupils Tuesday, which read thus:  
"Funeral Notice—Sir Thomas Cat; died  
January 18, 1896."

Mr. Winters was a caller Friday.  
Mr. Scammon and the boys had quite  
a discussion in the high room Wednes-  
day over a small matter.

**Eczema  
All Her Life.**

Mr. E. D. Jenkins, of Lithonia, Ga.,  
says that his daughter, Ida, inherited a  
severe case of Eczema, which the usual  
mercury and potash remedies failed to  
relieve. Year by year she was treated  
with various medicines, external applica-  
tions and internal remedies, without  
result. Her sufferings were intense,  
and her condition grew steadily worse.  
All the so-called blood remedies did not  
seem to reach the dis-  
ease at all until S.  
S.S. was given, when  
an improvement  
was at once noticed.  
The medicine was  
continued with favor-  
able results, and  
now she is cured  
sound and well, her  
skin is perfectly  
clear and pure and  
she has been saved  
from what threat-  
ened to blight her life forever.  
S.S.S. (guaranteed purely vegetable)  
cures Eczema, Scrofula, Cancer, Rheu-  
matism, or any other blood trouble.  
It is a real blood remedy, and always  
cures even after all else fails.

**A Real Blood Remedy.**

a tonic won't cure it.
