

# THE RED CLOUD CHIEF

VOLUME XXIV.

RED CLOUD, NEBRASKA, FEBRUARY 21, 1896.

NUMBER 8

## Manager Chicago Journal

Col. F. C. Pierce Was Made a Well Man by Paine's Celery Compound.

At the door of every newspaper office might be posted the general order—Rush!

The busiest concerns in the busiest streets are sluggards compared with these newsgathering hives where human fingers and brains are matched to keep up with machinery.

The brunt of this fatiguing mental strain, unavoidable in getting out one of the big city dailies, for example, the Chicago Evening Journal, falls on its business manager—in the case of this oldest daily in Illinois, Colonel Frederick C. Pierce.

Colonel Pierce is one of the busiest men in Chicago, a city of early and late workers. Brain workers in every profession will thank Colonel Pierce for the following statement recently made by him:

"For several years I have been troubled with sick headache, caused by constipation; otherwise I have always been in perfect health, and never sick but for two weeks in my life. This sick headache has been very annoy-

ing. I have taken a number of different medicines which have been used and recommended by others, but not until I took Paine's celery compound did I find any relief.

"This season I took one bottle and was not troubled with headache for at least six months. Since that time I have kept the medicine in the office and used it occasionally, and have not been troubled with headache since.

"I have recommended it to a number of my friends, who have been benefitted as I have. For a person who is disposed to constipation, it is unquestionably one of the best medicines that there is on the market today.

Yours respectfully,

F. C. PIERCE,  
Business Manager Chicago  
Evening Journal"

A black cloud is no surer indication of an approaching storm than persistent headaches are of dangerous debility.

There is no one specific that can

permanently cure headaches unless it goes to the seat of the trouble. The great nerve and brain restorer, Paine's celery compound, does get rid of them and leaves no chance for their return, because the deep-seated cause—the weakened nervous system at last is supplied with the food it has so sadly felt the need of.

The best physicians in every city in this country prescribe Paine's celery compound, where a rapid building up of the system is imperative. As an invigorator in cases of nervous exhaustion, sleeplessness and a poor state of the blood, it is the mainstay of the ablest practitioners throughout the United States.

A mere glance at the faces of weak, nervous, run-down persons, after they have begun to use this greatest of all remedies shows how rapid is the nourishing effect of Paine's celery compound.

There are thousands upon thousands well today because they used Paine's celery compound.

### Bladen.

#### TRIX.

One Minute Cough Cure touches the right spot. It also touches it at the right time if you take it when you have a cough or cold? Then don't cough. C. L. Cotting.

#### Afraid of Consumption.

People who lose flesh are in danger of consumption. In many cases loss of flesh is the first symptoms of the dread disease.

Light weight is to often a sign of some wasting disease which gets its first start from indigestion. Cure the indigestion and health, strength and flesh will be rapidly regained.

All physicians are agreed that the most important thing to be done in such cases is to improve the appetite and digestion; and if this cannot be done there is very little hope, for strength, flesh, pure blood and strong nerves can only come from plenty of wholesome food well digested.

This is the reason so many physicians recommend Stuart's Dyspepsia Tablets, because of their wonderful invigorating and nutritive properties. For loss of vigor, headaches, constipation, sour risings and other symptoms of dyspepsia they constitute the safest most natural cure. And there is a good reason for their success. They are composed of the natural digestive acids and fruit essences which every weak stomach lacks.

Stuart's Dyspepsia Tablets rapidly increase the weight, the hectic flush soon leaves the consumptive's cheek, the skin assumes the hue of health, night sweats cease, the cough dies away and the emaciation is lost under a coating of warm, normal flesh.

Taken after meals these Tablets digest all wholesome food eaten, increasing the appetite, enriching the blood and soon remove those miserable feelings which only the dyspeptics can appreciate. Stuart's Dyspepsia Tablets are sold by druggists at 50 cents for full sized package. A book on stomach diseases and thousands of testimonials of genuine cures sent free by addressing the Stuart Co., Marshall, Mich.

WANTED—A reliable lady or gentleman to distributed samples and make a house-to-house canvass for our Vegetable Toilet Soaps. \$40 to \$75 a month easily made. Address: Crofts & Reed, 842 to 850 Austin Avenue, Chicago, Ill.

Just Fits This Boy's Eye?

Can fit your eye just as well with
