5 Sores

In combination, proportion and process Hood's Sarsaparilla is peculiar to itself, and unequalled in true merit. No other medicine ever possessed so much curative power, or reached such enormous sales, or made such wonderful cures, as Hood's Sarsaparilla. It is undoubtedly the best medicine ever made to purify, vitalize and enrich the blood.

That is the secret of its success. Read this statement: "When my son was 7 years of age, he had rheumatic fever and acute rheumatism, which settled in his left hip. He was so sick that no one thought there was any help for him. Five sores broke out on his thigh, which the doctor said were

Scrofula

sores. We had three different doctors. Pieces of bone came out of the sores. The last doctor said the leg would have to be cut open and the bone scraped, before he could get well. Howard became so low that he would eat nothing, and one doctor said there was no chance for him. "One day, a newspaper recommending Hood's Sarsaparilla was left at our door. We decided to try this medicine. Howard commenced taking it the last of February, after having been sick for a year and a

half. He hadn't taken it a week before I saw that his appetite began to improve, and then he gained rapidly. I gave him five bottles, when the sores were all healed and they never broke out again. The crutches he had used for four years were laid aside, as he had no further use for them. I give all the credit to Hood's Sarsaparilla." Mrs. ADA L. MOODY, Fay Street, Lynn, Mass.

Castoria is truly a marvelous thing for children. Doctors prescribe it, medical journal recommend it and more than a million mothers are using it in place of Paregoric, Bateman's Drops, so-called soothing syrups and other narcotics and stupefying remedies. Castoria is the quickest thing to regulate the stomach and bowels and give healthy sleep the world has ever seen. It is pleasant to the taste and absolutely harmless. It relieves constipation, quiets pain, cures diarrhoea and with colic, slays feverishness, destroys worms, and prevents convulsions, soothes the child and gives it refreshing and natural sleep. Castoria is the children's panacea—the mother's friend.
Castoria is put up in one sized bottles only. It is not sold in bulk. Don't allow any one to sell you anything else on the plea or promise that it is "just as good" and "will answer every purpose. See that you get C-A-S-T-O-R-I-A.

The strength which comes to us from eating nourishing food is better than stimulation, because it is new strength.
The health which belongs to a strong body, well nourished by proper food (properly digested), is the only health that is lasting.
The difference between Shaker Digestive Cordial and other medicines is simply that it helps nature to make strength. It does not profess to cure sickness, except as that sickness is a result of weakness caused by food not properly digested.
Shaker Digestive Cordial will relieve the pangs of indigestion, and make thin, sick, weak people as well as if their stomachs had never been out of order.
It is a gentle aid to the digestion of nature's strength-maker, food.
