#### Republican Ticket.

For Congress—5th District.  
W. E. ANDREWS of Hastings.

Hon. Tom Reed is now prominently spoken of as vice presidential candidate on the republican ticket. Tom would add great strength to the ticket and with McKinley and Reed as the standard bearers, success would be sure.

L. P. ALLEN has a splendid showing to be the nominee for the state treasurer on the republican ticket. He has some flattering support from all over the state. We believe he will be successful. He is a faithful republican and an able accountant.

The St. Louis calamity of last week was one of the worst cyclones ever known in this country, involving, as it did, the loss of 400 lives, the injury of over 1200 people, besides the destruction of \$20,000,000 worth of property, as estimated. It seems that numerous water spouts were formed in several places, and that each hung to the city until its principal energy was spent.

In twelve days more we shall know whether it is McKinley, or who. The Chief hopes, for the country's good, that it may be Major McKinley; but we can stand it, whoever may be named.

McKinley means victory this fall, and victory this fall means the restoration of the protective tariff, which will place our working men in good paying positions, besides furnishing revenue to run the government on. This bonding of the country to raise revenue in times of peace is an outrage on the people. If the democrats cannot govern any better than that, they had better be retired from active services; and, if McKinley is nominated, they will be retired, with a big R.

#### Caution.

All instantaneous cough cures contain opiates and are liable to dry up the phlegm and mucus in the bronchial tubes and lungs, thereby causing congestion. We guarantee Begg's Cherry Cough Syrup against this danger. C. L. Cotting.

The pining down of salaries of the public school teachers is not always to be commended, nor desired, yet the present board of education find it necessary to drop the salaries and to lop off many other expenses theretofore indulged in, owing to the scarcity of funds. The Chief believes that good salaries got good teachers, and good teachers got better work than those who are illly paid, still the present reduction can not be looked upon as parsimonious in any manner, by the board of education, but because they were compelled to do so. The expenses have been too high for the amount of taxes received or receivable.

#### A REMARKABLE CURE.

A Case of Piles of Eighteen Years' Standing

#### Cured by Pyramid Pile Cure.

There are plenty of pile cures which give relief, and sometimes cure a mild case of piles, but there is only one which can be depended upon with certainty, to cure long standing cases, and that is the Pyramid Pile Cure.

Endorsements and testimonials are received daily from men and women whose integrity and liability are above question, and, in this connection, a letter received from the Rev. Jas. H. Westbrook, of Bowne, Mich., may be of interest to pile sufferers who have sought in vain for a cure. He says:

I have used the Pyramid Pile Cure, and I know that it is all that is claimed for it. I had been troubled with piles more or less for about eighteen years, and I had tried other remedies, but the piles grew worse until about ten months ago I used the Pyramid Pile Cure. It gave almost instant relief, and I have been free from piles ever since.—Rev. Jas. H. Westbrook.

The remedy seems to act equally well in every form of piles—blind, bleeding, protruding, or itching. It stops all pain almost immediately, allays irritation and removes constipation, and anyone who has suffered the annoyance and pain of a rectal trouble will appreciate the excellent results which invariably follow the first application of the Pyramid.

The Pyramid Pile Cure is prepared by the Pyramid Drug Co. of Albion, Mich., and for sale by druggists everywhere at 50 cents per package.

Mrs. Anna Gage, wife of Ex-Deputy U. S. Marshal,

Columbus, Kan., says:

#### Happy Wedded.

At the residence of E. W. Eames, in the south part of the city, on Wednesday at 12 m., occurred the marriage of his daughter, Miss Lucy, to Mr. John Earner of Garfield township. The mystic words, that made these two hearts beat as one, were spoken by the Rev. Jas. K. Maxfield, in his usual happy manner. The ceremony was witnessed by the relatives of the families and one or two friends. The bride was prettily dressed in cream cashmere and lace and the groom in the conventional black. After the ceremony the guests were invited to the dining room, where a bountiful repast had been spread to which all did ample justice. The bride, having lived in this city for a number of years, is known to be a lady of sterling worth, beloved by her many friends and possessed of an excellent education, having just graduated with honor from our schools. The groom is an industrious gentleman of Garfield township, well liked and respected by all who know him. The Chief, along with their many friends, joins in wishing the happy couple a bon voyage over life's troubled sea. Mr. and Mrs. Earner expect to make their future home in Garfield township.

A. L. Wooster, a prominent citizen of Osseo, Mich., after suffering excruciatingly from piles for twenty years, was cured in a short time by using DeWitt's Witch Hazel Salve, an absolute cure for all skin diseases. More of this preparation is used than all others combined. C. L. Cotting.

The school board had the very good sense to re-elect Supt. L. S. Wilson for the forthcoming year. Mr. Wilson is a very able scholar and has done efficient service. The board cut the superintendent's salary from \$1000 to \$950. This was not done because the services of the professor were not worth more but on account of the low ebb of finances at the present time. Miss McClelland, was also elected principal with salary reduced from \$60 to \$50. Miss McClelland is one of the brightest and best teachers that has ever been employed in our schools. Miss Cora Garber was also elected for the high school at a salary of \$40. Miss Garber has proven herself well adapted to the position and a good educator. Miss Grace Garber was elected teacher in the Kindergarten school, at a salary of \$35. Miss Grace has proven an excellent instructor in the Kindergarten work and her re-employment was the proper thing for the board to do. The other teachers were to be elected sometime this week.

In the Spring a young man's fancy lightly turns to thoughts of—DeWitt's Little Early Risers, for they always cleanse the liver, purify the blood, and invigorate the system. C. L. Cotting.

## Beware Of Mercury!

Mr. Henry Roth, of 1848 South 9th Street, St. Louis, was given the usual mercurial treatment for contagious blood poison. He was twice pronounced cured, but the disease returned each time, he was seized with rheumatic pains, and red lumps and sores covered his body. "I was in a horrible fix," he says, "and the more treatment I received, the worse I seemed to get. A New York specialist said he could cure me, but his treatment did me no good whatever. I was stiff and full of pains, my left arm was useless so that I was unable to do even the lightest work. This was my condition when I began to take S. S. S., and a few bottles convinced me that I was being benefited. I continued the medicine, and one dozen bottles cured me sound and well. My system was under the effects of mercury, and I would soon have been a complete wreck but for S. S. S."

S. S. S., (guaranteed purely vegetable) is the only cure for real blood diseases. The mercurial treatment of the doctors always does more harm than good. Beware of mercury! Books on the disease and its treatment mailed free to any address by Swift Specific Co., Atlanta, Ga.
