The first annual commencement of has been painted, after all. the Cowles graded school was held in the Congregational church, Friday afternoon. The school comprises but one year of the regular high school course, but the class of '96 have done good work this year. The class is composed of wine girls and one boy, viz: Sophia Latham, Sara Teel, May Belle Waller, Luoisa Malick, Lotta Leakin, Ellis Hager, Docia Morgan, Bertha Keeney, Helen Fuller, and Miller Scott. Each preduction on the occasion did credit to its author and, it may not be out of place to mention here, that Miss Fuller's delivery was the best, but for the deepest and most original thought, Miss Malick took the lead. Miller Scott, the only boy in the class, took the scholarship offered by the Orleans college to the one having the highest class standing.

Memorial Sunday was observed here by union services held in the Congregational church. The sermon was preached by Rev. Samuel Deakin, Rev. Metcalf assisting in the services.

The Cowles class of '96 attended the commencement exercises at Red Cloud, as did a great ni ber of Cowles people.

Miss Mame Beal of Red Cloud closed a very profitable term of school in the Pleasant Hill district, Tuesday, with a pienic at the home of Mr. Beal. At about one o'clock the usual bountiful feast was spread under the shade of the trees and swings, croquet, and music helped to pass sway the time, while the children were delighted with cherry trees loaded with the luseious fruit. Mr. and Mrs. Beal endeavored to make their guests feel at home and enjoy themselves and they succeeded most admirably. Mr. Beal is probably the most extensive enion grower in the state, having in over twelve acres this year. A number of the guests took a stroll over the fields and found them clear of weeds digested. and in most excellent condition.

Castoria.

"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."

DR. G. C. Osocop.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by foreing opium morphine, soothing syrup and other hurtful agents down their throats, thereby sending
