

Hood's

Sarsaparilla as a blood purifier and building up medicine leads everything ever produced. It is positively the best. Others may make the same claim. But there's this difference: We prove it. Not by antiquity, but by Merit. Not by what we say, but by what Hood's Sarsaparilla does. It has a record of Cures unequalled in medical history. It positively, perfectly and permanently cures when all other medicines fail. That the keen discrimination of the people recognizes its merit and the cure by Hood's Sarsaparilla, is shown by the fact that they buy Hood's Sarsaparilla in preference and to the exclusion of all others. Hood's Sarsaparilla has a larger sale than all other blood purifiers. It wins confidence everywhere because the statements in its advertising and testimonials are verified by all who take it. No other medicine has ever received such praise, or so many voluntary testimonials of wonderful cures. No other medicine possesses

Sarsaparilla

the peculiar combination, proportion and process used in preparing Hood's Sarsaparilla, and which give it merit peculiar to itself. This is the secret of its wonderful power, of its wonderful sales, of its wonderful hold upon the confidence of the people. This is why it cures Scrofula, Salt Rheum, Catarrh, Rheumatism, all Humors, Kidney and Liver troubles, Dyspepsia, That Tired Feeling, builds up the nerves, creates an appetite and strengthens the whole system. Its merit, its sales, its

Republican Ticket.

For Congress—5th District. W. E. ANDREWS of Hastings. It now looks like Geo. D. Meiklejohn would be the nominee for governor.

CAPT. ADAMS of Superior is making a silent campaign for the gubernatorial office, with fair prospects he thinks.

THE Omaha exposition bill has passed through Congress and has been signed by the president and now the Omahogs are happy.

HEN J. A. PIPER will get the nomination for secretary of state on first ballot. He has made an excellent officer and should be renominated.

It costs Webster county \$21.00 per day for the supervisors to sit in session and wait for the Oak Creek assessor to come in with his books, but he never came until he was sent for.

NEXT week, in all probability, we shall be able to unfurl our banner with the names of William McKinley for president and Thos. B. Reed for vice-president. A team that could not be beaten.

CONGRESS has adjourned. Now if Cleveland could adjourn all would be well. When he passes out of the white house, down the step, his light will go out and he will be left in the dark, where he will remain, unloved and condemned by friend and foe alike.

THE free silver republican delegates of the St. Louis convention talk of bolting the convention, says the State Journal, if the free silver question is not fully recognized. We hardly think it. Most republicans feel that there is much more in the tariff question than there is in the free silver agitation.

The workman often eats his lunch on the same bench where he does his work. The office man turns his desk into a dining-table. Neither gets the out of doors exercise he needs, neither takes the time for eating. It is small wonder that the digestion of both gets out of order. In such cases Dr. Pierce's Pellets come to their assistance by aiding nature in taking care of the food. The cause of nine-tenths of the sickness of the world is constipation. From this one cause come indigestion; disorders of the stomach, liver, and kidneys; biliousness, headaches, flatulence, heartburn, impurity of the blood and the serious complications that follow. To begin with, constipation is a little thing, and a little thing will cure it. The "Pleasant Pellets" are tiny, sugar-coated granules. They will perfectly cure the worst case of constipation and indigestion if the druggist tries to sell you some other pill that pays him greater profit, just think of what will best pay you.

The following letter was recently received by a Princeton, Ill., dealer from a Kansas man.

Hamlin Kansas. dear sir—I live on my farm near hamlin, Kansas, as I am 57 years old and a little sporty my get back in injany bot himself a bisickel an he sent his old one by frate and we had a pile of fun but my bisickel jolts considerabl. a feller came a long yesterday with a bisickel that had a holler injy rubber tires stuffed with wind. he let me tri hizzen an mi it run like a quieshen. he tole me that you sell injy rubber juet the same how much will it be to fix mine like that feller mine has all iron wheel do you punch the holler hole through the injy rubber or do i have to do it myself do you sell it by the yard or the piece an how do you stick the injy together after you get done if your injy rubber is awl ready holler will it cum any cheaper empty i can get awl the wind out hear in Kansas an welcome i will pay cash. P. S. how much do you charge for the doodad you stuff the wind into the injy rubber an where do you start.

If it required an annual outlay of \$300 to insure a family against any serious consequence from an attack of bowel complaint during the year there are many who would feel it their duty to pay it; that they could not afford to risk their lives, and those of their family for such an amount. Any one can get this insurance for 25 cents, that being the price of a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. In almost every neighborhood some one has died from an attack of bowel complaint before medicine could be procured or a physician summoned. One or two doses of this remedy will cure any ordinary case. It never fails. Can you afford to take the risk for so small an amount? For sale by H. E. Grice.

Epilepsy 20 Years. Cured by Dr. Miles' Nerveine.

A few years ago, Mr. L. W. Gallaher, was an extensive, successful export manufacturer of lumber products. Attacked with epilepsy, he was obliged to give up his business. The attacks came upon him most inopportunistly. One time falling from a carriage, at another down stairs, and often in the street. Once he fell down a shaft in the mill, his injuries nearly proving fatal. Mr. Gallaher writes from Milwaukee, Feb. 16, '96.

"There are none more miserable than epileptics. For 20 years I suffered with epileptic fits, having as high as five in one night. I tried any number of physicians, paying to me alone, a fee of \$500.00 and have done little for years but search for something to help me, and have taken all the leading remedies, but received no benefit. A year ago my son, Chas. S. Gallaher, druggist at 191 Reed St., Milwaukee, gave me Dr. Miles' Restorative Nerveine, and I tried it with gratifying results. Have had but two fits since I began taking it. I am better now in every way than I have been in 20 years."

Dr. Miles' Remedies are sold by druggists on a positive guarantee that the first bottle will benefit or price refunded. Book on the Heart and Nerves, free. Address, Dr. Miles Medical Co., Elkhart, Ind. Dr. Miles' Pills are guaranteed to stop Headaches in 30 minutes. "One cent a dose."

The Union Junior Endeavor will have an afternoon picnic in Paul's grove, June 18. Everybody invited. John Blaine has resolved not to get married until the republicans are again in power.

Supt. Hunter held examinations at Cowles last Thursday for country pupils desiring to enter the high schools of the county. Miss Mizer and Mr. Auld of Red Cloud were guests of Dave Kaley's Sunday.

Mr. and Mrs. Deihl and daughter and Mrs. Ham of Edgar were visiting relatives and friends in this vicinity last week. The latest fad among Cowles people is picking gooseberries. Representatives of six families were engaged in that occupation last Friday.

Elder Motter, a student of the Fairfield college preached at the Christian church Sunday afternoon. The ladies of the Congregational church gave an ice cream and strawberry social at the church Tuesday evening. Fred Good's baby is quite sick at present.

Quite extensive preparations are being made for the observation of Children's Day. The exercises will be at the Congregational church at the regular Sunday school hour, at the Methodist church in the evening. Louis Mallick is spending vacation at her uncle's, Peter Hill's. Bessie Carpenter went to Franklin Tuesday to spend a few weeks.

Hood's For Dyspepsia. Humboldt, Neb., May 9, 1896. I have taken Hood's Sarsaparilla for dyspepsia and it has done me a great deal of good. Mrs. M. E. Haynes. Hood's Pills cure all liver ills.

Battin. The weather is nice for corn and small grain. We learn that there was a cyclone northwest of here. There was preaching at district 14 on June 7, and there will be preaching there every two weeks by Rev. Horton of Red Cloud. There will be Sunday-school at three o'clock every Sunday.

Thirty-three has changed their hour for Sunday-school. It will be at ten thirty hereafter. The League at New Virginia is doing good work. Charlie Kelo went up to Riverton Sunday. Mr. Robinson is very poorly at present but we hope he may soon recover. Miss Lillian Ramey will return on the tenth of this month from her school. Her many friends will be glad to see her home again.

There will be preaching at North Star on the 14th. Peter Nelson went north last week but got home before the storm. A. L. Wooster, a prominent citizen of Osseo, Mich., after suffering excruciatingly from piles for twenty years, was cured in a short time by using DeWitt's Witch Hazel Ointment, an absolute cure for all their diseases. More of this preparation is used than all others combined. C. L. Cotting.

Farmers and others who desire to subscribe for the Nebraska and Kansas Farmer should do so before July 1st, as at that date the low rate expires. Remember that this paper is just what you want on the farm, and also remember that you cannot often get a 16-page paper at 10 cents for one year. Send in your name and money at once. Agents should make great efforts to get their names in by the 25th, so that we can tell promptly who receive the premiums which we are offering.

Mr. McKinney of Hildreth, Nebr., is visiting his son. Walter Cox returned to Republican City last week, after a short visit with his parents. There will be church at Lester at 8 o'clock in the evening Sunday. John Saladon was in Red Cloud Sunday.

Mrs. B. DeYoung, Middleburg, Ia., writes: I have used One Minute Cough Cure for six years, both for myself and children, and I consider it the quickest acting and most satisfactory Cough Cure I have ever used. C. L. Cotting.

Pleuro-pneumonia in England. We notice the British agricultural papers are recording an outbreak of pleuro-pneumonia among the native cattle in the county of Essex, England. Two cows that had been sick for a long time died, and their lungs were sent to the veterinary department of the board of agriculture for examination. The examination showed that one had died from the disease above mentioned, and the other from tuberculosis. We are told that the herd in which the former cow was found is to be slaughtered, but fears are expressed that the disease has been widely spread on account of the long time required for the disease to reach the state shown by the examination.

At the same time the British papers are fighting for a law to prohibit forever the admission of American cattle, except such as are slaughtered at the ports of entry. The reason given for this prohibition is not that the English stock growers are to be protected against foreign meats, but that they fear the terrible pleuro-pneumonia that they declare exists in the United States.

Americans hear nothing of the disease in their own country, where it has been officially pronounced as stamped out. They can therefore only think that the outcry raised in England is for the purpose of getting a protective law under another name.

Cattle Exported Via New Orleans.—This season quite a number of cattle are being sent direct to Liverpool by the way of New Orleans. A steamship recently took over a cargo of 400 head in addition to a large amount of other products. Only six head died on the voyage. Other steamers are falling into line. The cattle are being supplied largely from Texas.

The Sea's Treasures.—It is computed that there is 800,000,000 pounds sterling worth in gold and jewels at the bottom of the sea on the route between England and India.

Caution. All instantaneous cough cures contain opiates and are liable to dry up the phlegm, and cause in the bronchial tubes and lungs, thereby causing congestion. We guarantee Boggs' Cherry Cough Syrup against this danger. C. L. Cotting.

Beware Of the Knife.

Mr. Lincoln Nelson, of Marshallfield, Mo., writes: "For six years I have been a sufferer from a scrofulous affection of the glands of my neck, and all efforts of physicians in Washington, D. C., Springfield, Ill., and St. Louis failed to reduce the enlargement. After six months' constant treatment here, my physician urged me to submit to a removal of the gland. At this critical moment a friend recommended S.S.S., and laying aside a deep-rooted prejudice against all patent medicines, I began its use. Before I had used one bottle the enlargement began to disappear, and now it is entirely gone, though I am not through with my second bottle yet. Had I only used your S.S.S. long ago, I would have escaped years of misery and saved over \$150."

This experience is like that of all who suffer with deep-seated blood troubles. The doctors can do no good, and even their resorts to the knife prove either fruitless or fatal. S.S.S. is the only real blood remedy; it gets at the root of the disease and forces it out permanently. S.S.S. (guaranteed purely vegetable)

A Real Blood Remedy.

is a blood remedy for real blood troubles; it cures the most obstinate cases of Scrofula, Eczema, Cancer, Rheumatism, etc., which other so-called blood remedies fail to touch. S.S.S. gets at the root of the disease and forces it out permanently. Valuable books will be sent free to any address by the Swift Specific Co., Atlanta, Ga.
