Republican Ticket.

For Congress—5th District, W. E. ANDREWS of Hastings.

Mrs. Weideman is in Atlantic, Iowa, this week.

The republican state convention will be held in Lincoln July 1st.

The populists hold their presidential convention in St. Louis, Mo., July 23d.

J. C. WILLIAMS of Omaha wants to be commissioner of public lands and buildings.

The next national demonstration will be the democratic convention in Chicago July 7th.

JNO. T. DALY of Omaha is urged by his many friends to come out as a candidate for state superintendent.

The great battle of St. Louis is over and now we await the action of Chicago and St. Louis in July; and the battle royal begins.

THE HON. L. P. ALBRIGHT has been gaining friends every day, and everywhere he goes he has the happy faculty of making more.

It is rumored that the Hon. J. S. Gilham, of this city, will be groomed for congress by his free silver admirers.

Mr. Gilham has lived in Red Cloud for many years, and we presume that, if he should be nominated, he would receive a generous support from his numerous friends in Webster county.

The CHIEF takes off its hat and gives three cheers for McKinley and Hobart. Victory is absolute!

Let the American eagle scream! The Hon. Wm. McKinley of Ohio, the people's candidate, was nominated for president on Thursday.

Mr. McKinley is a man who has lived all his life for the plain people. He has always labored in his public capacity for the laboring man, and when he sits in the presidential chair—as he surely will—he will be the same "Bill McKinley" that he has always been: plain, honest, upright, and for the people.

The CHIEF takes off its hat and gives three cheers for McKinley and Hobart. Victory is absolute!

and sends it into the throes of a great panic of years duration. The free silver plank was defeated by 30 to 11 in committee, and at that point Toller, Dubois, Hartman, Cannon and Cleveland bolted, and left the hall. The following is the money plank:

"The republican party is unreservedly for sound money. It caused the enactment of the law providing for the redemption of specie payments in 1879; since then every dollar has been as good as gold.

"We are unalterably opposed to every measure calculated to debase our currency or impair the credit of our country. We are, therefore, opposed to free coinage of silver except by international agreement with the leading commercial nations of the world, which we pledge ourselves to promote, and until such agreement can be obtained the existing gold standard must be preserved.

All our silver and paper currency now in circulation must be maintained at parity with gold, and we favor all measures designed to maintain inviolably the obligations of the United States and all our money, whether coin or paper, at the present standard, the standard of the most enlightened nations of the earth."

Dr. Hartman, who has made many tests of the new dyspepsia cure, is very enthusiastic in his praise of this excellent preparation. It is not a secret patent medicine, but is composed of pure pepsin, bismuth, fruit salts and vegetable essences, made into pleasant tasting tablets or lozenges and sold by druggists at 50c. per package, under the name of Stuart's Dyspepsia Tablets.

Dr. Hartman states that Stuart's Dyspepsia Tablets cure dyspepsia and weak stomachs, because they possess the peculiar power of digesting whatever wholesome food is taken into the stomach. They do not act on the bowels like cathartics, but act entirely on the food, digesting it thoroughly and quickly, giving the stomach a chance to rest and recover its natural strength, which it invariably will do after a course of Stuart's Dyspepsia Tablets.

Cancer Of the Face.

Mrs. Laura E. Mims, of Dawson, Ga., says: "A small pimple of a strawberry color appeared on my cheek; it soon began to grow rapidly, notwithstanding all efforts to check it. My eye became terribly inflamed, and was so swollen that for quite a while I could not see. The doctors said I had Cancer of the most malignant type, and after exhausting their efforts without doing me any good, they gave up the case as hopeless. When informed that my father had died from the same disease, they said I must die, as hereditary Cancer was incurable."

"At this crisis, I was advised to try S.S.S., and in a short while the Cancer began to discharge and continued to do so for three months, then it began to heal. I continued the medicine a while longer until the Cancer disappeared entirely. This was several years ago and there has been no return of the disease."
